Wyoming participates in three WICHE exchange programs:

- Through WICHE's Professional Student Exchange Program (PSEP), Wyoming sent 117 students to out-of-state programs in 2015-16 in nine different fields (allopathic medicine, dentistry, veterinary medicine, physical therapy, occupational therapy, optometry, podiatry, osteopathic medicine, and physicians' assistant study).
- Wyoming sent 47 students to out-of-state institutions via the Western Regional Graduate Program (WRGP) for graduate education, while receiving four.
- Nine hundred twelve Wyoming students participated in Western Undergraduate Exchange (WUE), attending schools in other WICHE states for undergraduate education while 1,597 WUE students attended Wyoming institutions from other WICHE states.

In addition, the University of Wyoming participates in additional WICHE initiatives, including

- The Internet Course Exchange (ICE), an alliance of member institutions and systems that share distance delivered courses among two- and four-year institutions in the 16-state/island WICHE region.
- The Interstate Passport program to block transfer lower division general education courses.
- SARA, the State Authorization Reciprocity Agreement initiative that will make distance education more effective and accessible.

Wyoming's WICHE PSEP program instituted a contract and practice payback program for all students entering in 2013 except for those in veterinary medicine. Those students will be required to begin paybacks starting as early as 2016.
