EDUCATION

- M.S. Natural Science (Education) and Environment & Natural Resources (joint)** 2010
University of Wyoming
Thesis: Institutional ethnography investigating organizational learning and place identity in interdisciplinary education programs
- Place-Based Education & Field Ecology** 2009
Teton Science Schools Graduate Program, Grand Teton National Park
- B.A. Philosophy and Theatre Arts** 2006
Loyola Marymount University
Summa Cum Laude (3.91), Honors Program, Presidential Citation, Marian Award, Program Scholar
- Acting (Shakespeare) and Modern Drama** 2003
British American Drama Academy, London

RELEVANT PROFESSIONAL EXPERIENCE

University of Wyoming - Haub School of Environment & Natural Resources

Academic Programs Coordinator & Academic Professional Lecturer, Assistant February 2011-July 2017
Academic Professional Lecturer, Associate July 2017-present

- Teach courses to all levels of undergraduates and occasionally graduate students. Course topics span introduction to environmental studies, introduction to interdisciplinary studies, environment & society, art & environment, place studies, and professional skills (emphasis on academic and professional written and oral communication)
- Advise (academic and career) >100 undergraduate students across two interdisciplinary degrees and 3 minors
- Develop and coordinate domestic and international field courses (>10 per year); lead 2 field courses per year
- Oversee undergraduate and graduate student recruitment and admissions processes and communications
- Supervise Academic Advisor and oversee work of Office Associate regarding course scheduling, course management, departmental communications, student services, advising practices, and scholarship awards
- Organize and implement two Freshman Interest Groups and their associated field courses, curricula, and activities
- Design, coordinate, and implement programmatic assessment efforts, including midterm observation and instructor evaluations, direct assessment of learning outcomes, student and alumni data collection and qualitative research, and institutional documentation/reporting
- Collaborate with Director and Dean on resource allocation, departmental process development, graduate program curricula and advising, and faculty development
- Serve on university committees and represent the Haub School on campus, in the state, and in the region

Center for Integrative Conservation Research (UGA)/ Nicholas School of Environment (Duke) 2010-2015
Researcher – UN Convention on Biological Diversity: Collaborative Event Ethnography

- Conducted collaborative research with 17 social scientists, funded by the National Science Foundation (NSF); observed and documented the culture of the international environmental governance meetings of the United Nations Convention on Biological Diversity 10th Conference of the Parties in Nagoya, Japan

University of Wyoming 2009-2011
Independent Curriculum Consultant – Haub School of ENR

- Facilitated a curricular assessment and redesign process; conducted focus groups and interviews with faculty, staff, and students; wrote comprehensive report

Graduate Assistant – Science Posse 2009-2010

- Provided teacher training, administered teaching evaluations/observations, and provided programmatic assistance to a science education outreach program (funded through NSF GK-12)

MAGGIE BOURQUE

maggie@uwyo.edu | 307.223.2072

Teton Science Schools

Education Program Administrator

2010

- Administered all aspects of seasonal field science education day programs, including curriculum planning, instructor training, parent communications, risk management, and course implementation
- Taught field courses for students grades Pre-K through 12
- Mentored and managed AmeriCorps interns, teaching staff, and graduate student instructors

L.A. Theatre Works, Los Angeles, CA

Independent Consultant

2008-2013

- Provided dramaturgical expertise, content and copy editing, and education program consulting

Director of Education

2005-2008

- Managed national and regional education programs
 - Provided financial, personnel, curricular, and partnership management
 - Oversaw staff and programming for artist residencies in juvenile correctional facilities
 - Implemented national outreach programs providing audio theatre to over 800 public schools & libraries
 - Designed enrollment/tracking system and email marketing campaigns
 - Partnered with LA-area organizations, K-12 schools, and districts to create interdisciplinary place-based art integration programs

Associate Director of Development

- Wrote, tracked, reported, and managed all education-related grants; with Managing Director, wrote and managed organizational grants, pursued corporate sponsorships, and oversaw individual donor relations
 - Pursued funding for programming; acquired >\$500,000 toward education programs
 - Consulted with internal departments to craft proposals and seek funding for needs and growth opportunities, cultivated personal relationships with various funding agencies

Natural History Museum of Los Angeles County

2006-2008

Arts Education Roundtable Partner

- Partnered with K-12 schools and nonprofit arts organizations to create 10-week student projects with culminating museum exhibitions and publications
- Extended relationship with the museum, co-producing art/science partnership events and educational programs

Friends of Ballona Wetlands

2007-2008

Program Coordinator, Environmental Education

- Managed curriculum, program development, and field and classroom instruction
- Facilitated in-class outreach in over 50 Los Angeles-area schools (public and private), consulted with teachers to address CA State Standards, coordinated field trips, field instructed, and created supplemental curricular materials
- Managed and trained 6 interns in various roles in administration, development, outreach, and instruction
- Organized meetings and events for the 20-member Board of Directors
- Managed several government and corporate grants and funding relationships
- Created and implemented a local business pollution prevention outreach program
- Worked closely with university partners to create internship and service opportunities
- Contributed to strategic plan, revised program structure, developed ongoing school partnerships

Loyola Marymount University

2002-2006

Teaching Assistant Taught writing seminars for introductory Honors English; TA for *Philosophy of the Arts*

Research Assistant Dean College of Communication and Fine Arts - report author: “*State of Interdisciplinarity at LMU*”

Program Coordinator Office for International Students and Scholars and LMU Student Life Office

Resident Director International House
