

Greys River Forest Collaborative – 2-22-18 – Flip Chart Notes

Information Needs

1. USFS budget trends.
2. Wildlife migration corridors.
3. Local chapter TU?
4. WLCI – Boundaries? Purpose? Funds available? For what?
5. Understand USFS timber staffing and other staffing.
6. Need an insect and disease designation/farm bill.
7. NEPA information.

Future steps

Recommendation 1

Addition – logs over river in tri-basin for winter snow-mobile use.

General Get good news out regarding GRC success, also for generating funds.

Hill Climb Possible future discussion regarding how to hold on to the climb and other rec. while retaining crucial winter range.

Next Agenda - April 12

Create subcommittee to work on this.

§
