

The Tobin House (circled in red) is at the corner of 15th and Ivinson/Kings Street, directly east of the College of Business and directly north of White Hall.

Enter on the south side (starred on the map). Use the owl doorbell on the handle, and someone will let you in. Once you have rung the doorbell, give us a moment to get to the door – we are coming!

Please note that parking is tricky on campus. Ivinson west of 15th is generally free street parking (there is also the Cooper Carriage House parking lot you can use after 5 pm). Washakie Dining Hall does have a couple of metered parking spots. Street parking on Grand Ave and some neighborhood streets will also have non-permit parking. Pay attention to posted signage.
