The University of Wyoming is committed to eliminating the misuse of alcohol and other drugs in our campus community.

The unlawful uses, possession, production, manufacture, and distribution of alcohol, illegal drugs, and controlled substances is strictly prohibited. Students, faculty, staff, and visitors to the University are required to obey 1) federal, state, and municipal laws regarding alcohol, drugs, and controlled substances, and 2) UW policies regarding alcohol and illegal drugs, and to act reasonably to reduce the risks associated with use and misuse of these substances.

In compliance with these regulations, the University of Wyoming must disseminate information about alcohol and other drug policies, sanctions, health risks, and resources for assistance to all students and employees on an annual basis.
