2025 Staff and Administrative Performance Evaluation Training Video

The recorded training video for 2025 Staff and Administrative Performance Evaluations is now available to employees and supervisors on the Employee Relations Performance Management webpage. This hour-long session covers the purpose of evaluations, best practices for conducting them effectively, and an overview of recent system updates in Redwood. Due to a variety of changes and updates, staff, administrators, and their supervisors are strongly encouraged to take this online training OR participate in a live training on one of the upcoming dates:

- February 5th at 10:00, **click here to join the meeting**

- February 18th at 1:30, **click here to join the meeting**

The deadline to complete annual performance evaluations is March 31, 2026.

If you have questions or concerns, please contact Kimberly Briones or Renee Ballard.

Please note that this announcement does not apply to annual reviews for full-time tenure-stream and non-tenure track faculty and post-doctoral associates completed in WyoFolio. Please contact Academic Affairs if you have any questions regarding evaluations in WyoFolio.
