Retirement Plan Contribution Increase – Effective July 2026

Benefited employees will see an increase in employee and employer retirement plan contributions beginning with their July 2026 paychecks.

The employee contribution rate will increase from 3.68% to 3.93%, and the employer contribution rate will increase from 14.94% to 15.19%.

These updated contribution rates will apply to participants in both the Wyoming Retirement System (WRS) and TIAA retirement plans.
