

“Great Colleges to Work For” Survey: Reminder to Participate

As President Nichols announced several weeks ago, the University of Wyoming is participating in [The Chronicle of Higher Education’s “Great Colleges to Work For” survey](#).

The survey looks at employee perceptions of the quality of their work environment. It also examines aspects of the worker experience in a quantifiable and measureable way.

The survey is open between March 12 and April 6, 2018, and is administered and analyzed directly by Great Colleges/Modern Think. The University has provided Great Colleges with campus email contact information for all faculty and staff who are full-time, benefited employees. Great Colleges sent out an initial survey email between March 10 and 12, 2018. A number of staff have participated already, some have not yet completed the survey, while yet others inadvertently moved the survey to their “Deleted” folders.

Beginning Saturday, March 17, 2018, Great Colleges is scheduled to send out a reminder email to participants who have NOT yet completed the survey. To ensure that you don’t treat this reminder as spam and delete it automatically, please note that the email heading will look like the following:

Chronicle Great Colleges <surveys@modernthink.net>

Great Colleges Institution Questionnaire Due April 6

We strongly encourage your participation! If you have additional questions please contact Jeanne Durr, Associate VP for Human Resources, at 307-766-5600, or visit <http://www.uwyo.edu/hr/additional-resources/2018-great-colleges-to-work-for-survey.html>.
