

Message to Veterans on Vaccinations

To All UW Faculty/Staff/Employee Veterans:

In addition to your eligibility for receiving COVID-19 vaccinations at our local vaccination clinic sites in the announced eligibility sequence, veterans eligible to receive medical services at the Cheyenne VA Medical Center may be able to schedule an appointment for vaccination there as well. In some cases, veterans will be able to obtain a vaccination sooner at the VA Medical Center than will be the case locally. Effective March 8, 2021, the VA Center began making vaccination appointments for all veterans in their system *regardless of age*. For more information on this option, please visit the Cheyenne VA Medical Center COVID-19 web site: <https://www.cheyenne.va.gov/services/covid-19-vaccines.asp>.

As a reminder to **all** employees, should you experience a reaction from the COVID-19 vaccination, you are eligible to use Emergency Sick Leave with Pay, as described under the COVID-19 Leave Policy: https://www.uwyo.edu/hr/_files/docs/employee-benefits/covid-19-leave-policy.pdf.
