

## CULTURAL CONTROL

A close-up photograph of a succulent plant with thick, rounded, green leaves. The leaves are arranged in a dense, overlapping pattern. The background is softly blurred, showing more of the plant's foliage. The lighting is natural, highlighting the texture and color of the leaves.

**Choose recommended plant species** for your location or growing zone. Selecting the right plant for the growing conditions helps prevent plant stress and increases hardiness. Purchase plants from a reputable grower to ensure plants are healthy and suitable for your region.
