# Increasing Support for Public Health Projects

3 credits, open to undergraduates  
Spring 2021

**UW Community & Public Health**

Learn how to effectively build support for improving the health of your community. Support includes funding, coalition building, and partnerships. This course will also cover the importance of communication with stakeholders, including policy/ decision makers.

**Instructor: Dr. Alisa Siceloff** [asicelof@uwyo.edu](mailto:asicelof@uwyo.edu)

*Dr. S, Assistant Lecturer<sup>1</sup> in the Division of Kinesiology and Health, has taught distance classes for the last 5 years. Trained as a veterinarian, Dr. S worked as a Public Health Officer for the US Air Force, gaining a broad practical background in Public and Community Health.*
