

KIN/HLED - 4015 INTERNSHIP
KIN/HLED 4016 - RESEARCH EXPERIENCE

BI-WEEKLY REPORTS (2-7)

PROGRESS

(at least one typed page, single spaced)

Reports 2-7 must be submitted every-other week until the end of the internship.

Part I

Please provide a detailed summary of the projects and activities you have participated in over the previous two weeks.

Part II

Discuss how your experience has measured up to meeting your short-term and long-term goals and expectations (refer to Report 1). Be as specific as possible, including exactly what you expected to learn and how you reached that goal. Please discuss particular modifications if necessary.

Part III

Describe any successes or challenges you are faced with, and how you are handling them. Include other thoughts and feelings related to your experience.
