Slyne Law LLC	800 Westchester Avenue, N641, Rye Brook, New York 10573	Slyne	Patrick	2	I can mentor 1 or 2 students depending on the need for mentors. The type of law is civil. A couple of projects I have mind are (i) doing legislative history research on a Connecticut statute, (ii) preparing a time and event study, and (ii) if the student(s) have a particular interest once they have an understanding of the pertinent facts of the case, I can assign them some legal research. It is still relatively early in the case (complaint filed, motion to dismiss denied) so the students' insights and ideas will be encouraged.	Work can be done remotely. The student(s) would need a computer with internet access. No housing option. I can meet with the students in Laramie, Cheyenne, or Denver area.
