

# ADVANCED WRITING REQUIREMENT PROFESSOR CERTIFICATION

## ***Advanced Writing Requirement:***

The College of Law requires that all students must complete an upper-level writing requirement. With the professor's approval, a student can meet the advanced writing requirement in any law school offering as long as the requirements outlined below are met.

For the \_\_\_\_\_, 20\_\_ semester, I will write a paper on \_\_\_\_\_.

This paper will be in satisfaction of my advanced writing requirement with Professor \_\_\_\_\_. I understand that I must spend at least 50 hours to receive 1.0 credit hour. All students must follow a designated standard citation form. Students must submit a detailed outline of the paper to the supervising professor. There will be one rewrite and the final paper will be at least 5,000 words, excluding footnotes. I agree to meet with Professor \_\_\_\_\_ every other week to review my progress. I plan to have a rough draft in by \_\_\_\_\_, and a final draft by \_\_\_\_\_.

I agree to register for the appropriate class.
