

## UW College of Law – Legal Externships

Please note that externships outside of the State of Wyoming may have earlier application deadlines than the internal school deadline for externships. You may want to contact employers early to ask about deadlines and application processes. If you need assistance, please contact the Externship Program Director, Ashli Tomisich.

If you are interested in an externship with a judge, governmental agency or non-profit/non-governmental agency not on this list, there is a simple process to have it approved. Please work with Ashli Tomisich ([ashli.tomisich@uwyo.edu](mailto:ashli.tomisich@uwyo.edu)), the Externship Program Director, to have it pre-approved prior to the externship application deadline.
