

Career Services & Professional Development

UW College of Law works with students, employers, and alumni throughout the state to provide exceptional legal representation and support. Reach out to learn more our programs today!

The Office of Career Services & Professional Development works closely with employers to post positions, collect application materials, and provide high quality interactions with alumni and students.

POST A JOB

We use POKES as our online recruiting platform. Every UW Law alumni and student has 24/7 access and can see your jobs once they are posted. Create an employer account and start posting positions today!

FREE | VIRTUAL | FREE

ON-CAMPUS INTERVIEWS (OCI)

OCI provides employers the opportunity to interview current students for immediate, summer, and postgraduate positions. OCI runs two times a year

FREE | LOCAL | VIRTUAL

SPEED NETWORKING

This program aims to teach students how to talk to attorneys effectively and grow their professional presence. The College of Law hosts a speed mentoring event each year in which small groups of students can meet with individuals in a speed dating-style Q & A session. This opportunity allows you to impart pearls of wisdom upon the students in a one time session.

FREE | LOCAL

INFORMATIONS SESSIONS

These hour-long sessions allow the hosting companies to provide UW students with valuable information about your organization and industry, and generally end with ample Q&A time.

Ask us about our Employer Information Session for more information

FREE | ON-CAMPUS | VIRTUAL

INTERVIEW STUDENTS

Receive welcoming all-around support for all your full-time and internship interview needs in meeting one-on-one with students.

For more information, please be sure to review our [Employer Recruiting Policies.](#)

FREE | ON-CAMPUS | VIRTUAL

GRADUATE EMPLOYMENT DATA

Graduates self-report their employment information.

Visit [UW Career Outcomes](#) to discover the data on our graduating class.

FREE | VIRTUAL

STUDENT CLUBS

Connecting with specialized student clubs allows for broader audiences to recruit from. We can assist with the connections or you can access the list of [UW's registered student clubs](#) you are interested in.

FREE | VIRTUAL

LEGAL LIFTOFF

A mentorship program conducted over the course of an academic break. The intention is to provide the student with a mentor into the future, and for a supervisor, or mentor to allow a student the opportunity to observe real world practice and provide a discussion of various issues.

BECOME A CAREER CHAMPION

Want to participate in your own professional development? Career Champions are those who connect with students in individual career-related aspects by volunteering to conduct resume reviews, mock interviews, informational interviews, and mentoring conversations. **Contact us today so we can help you develop a specialized company recruiting strategy.**
