

Leveraging Biomedical Information

Promoting NLM Resources In Wyoming

Jim Honour

Background

- **National Jewish Medical and Research Ctr.**
- **Exempla Healthcare**
- **Hospital Reference Librarian**

The Mother Ship

Bethesda, MD

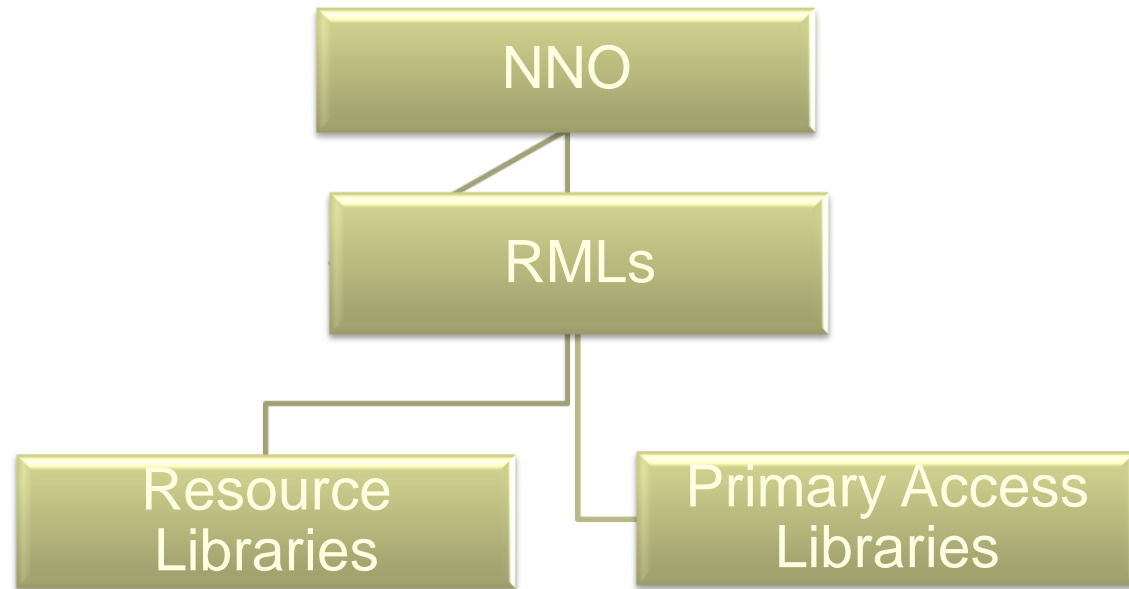

NN/LM Mission

“The mission of the National Network of Libraries of Medicine (NN/LM®) is to advance the progress of medicine and improve the public health by providing all U.S. health professionals equal access to biomedical information and by improving the public's access to information to enable them to make informed decisions about their health.”
