BENEFITS

Becoming a member of the UW Alumni Association NURSING CHAPTER

Vision Statement

Provide and support opportunities for mentoring, networking, and communicating with current students and alumni from the Fay W. Whitney School of Nursing (FWWSON) and establish connections with the FWWSN, UW, UWAA, and alumni across the nation and the world.

Being involved in the UW Alumni Association Nursing Chapter (UWAANC) allows us to give back for an education for which we are tremendously grateful. Below are some reasons to get involved:

Mentoring Opportunities

- Support transition from student nurse to professional nurse by connecting with senior students during their capstone practicum in cities across Wyoming and northern Colorado
- Assist in job placement and résumé writing by reviewing student résumés in our Résumé Blitz
- Expose students to various areas of nursing in Speed Mentoring sessions
- Offer suggestions for our NCLEX Tips flyer
- Nominate an outstanding mentor for the Memorable Mentor Award
- Enhance students' interviewing skills in mock interviews

Networking Opportunities

- Attend the UW Nursing Alumni Meet and Greet on Homecoming weekend
- Interact with students and agency representatives at the annual Career Fair
- Attend FWWSN or Alumni Association events
- Connect with other nursing alumni via nursing chapter activities, events, and on-line communications

UW Benefits
