

UNIVERSITY  
OF WYOMING

College of Health Sciences  
Fay W. Whitney  
School of Nursing

THE WORLD NEEDS MORE OUTSIDE THINKERS.

## Position #20002019:

### Associate Dean / Associate Professor

The Fay W. Whitney School of Nursing (FWWSON) at the University of Wyoming seeks to fill a 12-month position of Associate Dean / Associate Professor located on the Laramie, Wyoming campus.

### Essential Duties and Responsibilities

The Associate Dean is responsible for internal leadership and administration, curriculum development, accreditation, student recruitment, admissions and progression, program evaluation, and faculty development. Moreover, the Associate Dean will teach in the graduate program, have an active program of research as well as a strong service perspective.

### Minimum qualifications

- Doctoral degree in nursing from an accredited institution or Master's degree in nursing from an accredited institution with doctoral degree in related field
- Record of teaching and scholarship to warrant tenure and appointment to Associate Professor/Professor Rank
- Evidence of leadership experience
- History of experience in curriculum development, accreditation, and program evaluation
- Commitment to working in a culturally diverse environment and ability to effectively work with students, employees, vendors and community members from diverse background
- At least 2 years of experience practicing in nursing
- Eligible for unencumbered RN licensure in Wyoming
- Valid driver's license with a motor vehicle record (MVR) that is compliant with the University Vehicle Use Policy

### Desired qualifications

- Excellent written and oral communication skills as evidenced by a record of publications and presentations
- Experience working with and recruiting a diverse body of students, faculty and staff
- Interest in rural healthcare education and practice

The University of Wyoming invites diverse applicants to consider employment opportunities. Of special interest are candidates who have experience working with diverse populations and/or diverse initiatives.

The Fay W. Whitney School of Nursing promotes a friendly, scholarly, professional and forward-minded atmosphere where active learning, teacher-student partnerships, scholarly practice, interprofessional education and practice, and rural health care are valued.

The School of Nursing is accredited through CCNE and offers undergraduate and graduate programs. For more information on the FWWSN, please visit our website at [www.uwyo.edu/nursing](http://www.uwyo.edu/nursing).
