

MaineHealth NURSING STUDENT>Pathways

Here at MaineHealth, we welcome RNs to enter the profession at various campus locations providing you the opportunity to start your career where you feel you best fit – Level 1 trauma center, behavioral health, long term care, community hospital, or home care – as well as in the community that works for you.

- > *All new graduate positions are posted on our website www.careersatmainehealth.org*
- > *We encourage you to consider applying 2- 3 months prior to your graduation, however opportunities become available throughout the year as well.*
- > *For your convenience we indicate all openings available to New Nurses with “New Graduates Welcome” in the job posting title. To view all New Grad opportunities, search ‘New Graduates Welcome’.*
