Getting Paid for Pharmacy Services: Co-Visit Model

INSTRUCTOR / FACULTY

Mary Onysko, PharmD, BCPS
Clinical Associate Professor of Pharmacy Practice
University of Wyoming School of Pharmacy
Pharmacy Program Director at Springfield Family Physicians

WHO SHOULD ATTEND / TARGET AUDIENCE

Pharmacists interested in updating their knowledge regarding clinical services related to Medication Therapy Management (MTM) services and reimbursement.

REGISTRATION

https://chronic-disease.catalog.instructure.com/

FEES / REFUND

This continuing education program is funded by the Wyoming Department of Health through a grant from the Centers for Disease Control. The grant covers registration for all pharmacists that are licensed and working in Wyoming. Information on the number of participants that complete the program will be shared with the funding source, however no personal information will be shared. If you are a pharmacist outside of Wyoming and would like to take this course please contact the program coordinator

ACTIVITY OVERVIEW

This program examines how to create and sustain Medication Therapy Management clinical pharmacy services. Participants will learn about specific insights to help design and implement MTM services and the related reimbursement process. Discussions on what data to collect and how to leverage this data are included. Activities include online videos and resources.

LEARNING OBJECTIVES
Upon completing this course, you will be able to:

- Explain the fee-for-service reimbursement model
- Identify ways to help providers increase revenue by increasing productivity
- Describe some examples of this model in practice

METHODS AND CE REQUIREMENTS
This on line activity consists of video recorded lectures. Participants must complete the activity in its entirety, score a 70% or above on the assessment and complete an evaluation / assessment of the program. Claim credit and view the statement of credit immediately after the activity. This course is starts April 15, 2021 and expires April 24, 2024.

CE Statements of Credit will be electronically uploaded to the CPE Monitor system within 4 weeks of the UW SOP continuing education group receiving the fully completed assessments and evaluation forms.

FACULTY DISCLOSURE
As a provider accredited by ACPE, it is the policy of the University of Wyoming, School of Pharmacy continuing education group to ensure balance, independence, objectivity, and scientific rigor in all educational activities. A potential for bias may exist if a continuing education faculty member is affiliated with or has a financial interest in any organization(s) that may have a direct interest in the subject matter of the presentation. Situations involving potential bias are not inherently problematic or unethical, but the prospective audience must be made aware of the affiliation or financial interest. It is intended that any potential bias be identified openly so that the audience is provided full disclosure of the facts and may form their own judgments about the continuing education activity content.

Faculty for this program have no known conflicts.

PRIVACY POLICY
When you browse the course website (prior to registering for a program), we do not collect any personally identifiable information.

Once you register for a program, your personal information is collected. However, this information is utilized for record-keeping purposes associated with verifying your participation in UW continuing education group (CEG) programs in accordance with our accreditation requirements. In addition, this information is used for marketing of other CEG programs. Under no circumstances is your personal information shared with/sold to any other party. You can opt out of receipt of any of our advanced program information at any time.
