

Bio: Hello! My name is Tessa Kailey, and I am a proud University of Wyoming School of Pharmacy Alumni class of 2020. I began my pharmacy career working as an intern at the Safeway Pharmacy in Cheyenne and was promoted to pharmacy manager upon graduation at the Safeway Pharmacy in Ogallala, NE. After about a year, I was lucky enough to move back to Laramie and be the manager at the Safeway Pharmacy where I have been happily precepting fabulous students for the last 5 years. The school of pharmacy and its faculty helped shape me into the pharmacist I am today, I am honored to share my abilities with students and watch them learn and grow into future pharmacists, as UWSOP did for me! In my free time, I love to spend time cooking and baking, and spending time with my precious one-year old daughter and little pup Bessi!
