

UNIVERSITY OF WYOMING
COLLEGE OF HEALTH SCIENCES
SCHOOL OF PHARMACY

ASSISTANT PROFESSOR OF PHARMACEUTICS (position # 0890)

The University of Wyoming School of Pharmacy invites applications for a 9-month tenure-track pharmaceuticals position at the rank of Assistant Professor with requisite teaching, scholarly activity, advising and service expectations. The successful candidate is expected to maintain an extramurally funded research program; teach courses in the areas of dosage forms, sterile products and/or pharmaceutical calculations in the Pharm. D. program; advise pharmacy and graduate students; and provide service to the school, college, university and to the broader professional community. Applicants must have a Ph.D. degree in pharmaceuticals or pharmaceuticals-related area from an accredited college or university and postdoctoral or industrial experience in novel drug delivery and/or sterile product formulation. Advanced knowledge in pharmaceuticals; successful grant writing experience; a publication track record; industry collaboration experience; teaching experience and effective communication skills are preferred. Salary and start-up package will be competitive and commensurate with professional education, experience and demonstrated abilities.

The University of Wyoming is an Equal Employment Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability or protected veteran status or any other characteristic protected by law and University policy. Please see www.uwyo.edu/diversity/fairness

We conduct background investigations for all final candidates being considered for employment. Offers of employment are contingent upon the completion of the background check.

Located in Laramie, a city of 31,000 nestled on the high plains between the Medicine Bow and Laramie mountain ranges two hours north of Denver, UW is an institution of truly distinctive character. The campus exhibits a beautiful structural and landscaped setting.

Application screening will begin on January 11, 2016 and continue until position is filled. Interested applicants should email a packet containing a cover letter summarizing professional experience, curriculum vitae, a statement of research plans, teaching philosophy, copies of up to three representative publications and contact information for three references to Dr. Baskaran Thyagarajan, Search Committee Chair, University of Wyoming, School of Pharmacy, Dept. 3375, 1000 E. University Ave., Laramie, WY 82071;
