The University of Wyoming School of Pharmacy (UWSOP) hopes everyone has been enjoying the transition from spring to summer weather, as well as some rest and relaxation as vacation season is underway.

Another transition the UWSOP would like to note is the transition from eValue to CORE for our rotation management system. Most pharmacy programs now use CORE, so this may be familiar to those of you working with students from other schools/colleges of pharmacy. We look forward to using some of the expanded capabilities of this system such as collecting rotation availability and rotation descriptions directly within the system itself versus sending forms back and forth to the School. If you have any requests for features that would be helpful to you, please let us know and we will see if we can build it within the system.

We also ask that if you have not done so, please take a few minutes and review your account and profile information in CORE and update it as needed. A **CORE ELMS Manual for Preceptors** is attached to this email to assist you in navigating CORE.

If you have questions or need assistance navigating CORE, please contact one of us in the Experiential Education Office.

## Join Us for a Service-Learning Trip to Cusco, Peru!

Have you ever wanted to embark on a medically-focused trip abroad, but didn't know where to start? Now is your chance! The University of Wyoming School of Pharmacy wants to extend an enthusiastic invitation for you to join us on a transformative Service-Learning Trip to Cusco, Peru. This global service-learning trip will take place December 28th, 2024 - January 5th, 2025 and will be in conjunction with the non-profit organization, Medlife Movement. This week-long educational adventure offers volunteers a unique opportunity to engage directly with local communities on development projects and mobile medical clinics.

By working hand-in-hand with community members, participants will gain invaluable insights into the realities of extreme poverty while forging personal connections that transcend borders. Optional excursions include exploring the Amazon, marveling at Machu Picchu, and visiting Rainbow Mountain or Laguna Humantay.

DAY 0 & 1	DAY 2	DAY 3	DAY 4	DAY 5	DAY 6	DAY 7	DAY 8
Transfer in & Orientation	Reality Tour	Mobile Clinic	Mobile Clinic	Mobile Clinic	Project	GLE (optional)	Transfer Out

	9:00 AM Walking Tour	5:00 PM Talk 1	5:00 PM Talk 2	5:00 PM Talk 2	Project Inauguration		
5:00 PM Welcome meeting & Orientation	6:00 PM Dinner	6:00 PM Dinner	6:00 PM Dinner	6:00 PM Dinner	6:00 PM Dinner		

This trip with MedLife aims to ignite a passion for global citizenship and inspire action towards a world free from the shackles of poverty. Join us in the MedLife Movement and be a catalyst for positive change! This opportunity is not only open to students, alumni, preceptors, and stakeholders, but family members may join as well. No medical background required, just a heart for volunteering! CE will be available for pharmacists. You can learn more by visiting <https://www.medlifemovement.org/service-learning-trips/> or via Medlife Movement's on social media: <https://www.facebook.com/MEDLIFEmovement> Instagram: @medlifemovement -X: @medlifemovement - YouTube: @medlifemovement

**Cost:** \$1,650 (includes 7 nights dorm room accommodation; breakfast, lunch, and dinner from Monday to Friday; transport to mobile clinics and development projects; English-speaking trip leader; safety equipment, including face masks). **Not included:** flights, tips, weekend meals, optional excursions, pre – or post – trip accommodation.

**Registration:** If you are ready to be the change you want to see in the world, register here: <https://medlifemovement.wetravel.com/trips/winter-cusco-slt-mobile-clinic-dec-28-medlife-movement-57567290>

If you have any more questions, please do not hesitate to reach out to Jessica Papke, Clinical Assistant Professor, who is leading the trip, at [jpapke@uwyo.edu](mailto:jpapke@uwyo.edu) or 720-278-5797.
