

# Find your **Future** in the **Physical Sciences & Engineering**

## AIP | GradSchoolShopper.com

**COMPREHENSIVE.** Search graduate programs in the physical sciences and engineering from around the world.

**ORGANIZED.** Compare degree types, admissions requirements, acceptance rates, financial assistance, department specialties, sizes, grants, research budgets, and more.

**ACCURATE.** Explore content updated and approved yearly by the departments.

**DETAILED.** Examine each program's **unique** offerings, specialties, funding, equipment, facilities, and culture.

Select the programs  
that interest you most.

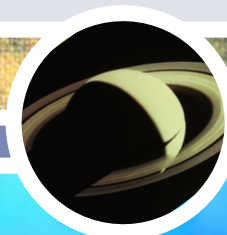

Reach out to  
faculty members from  
thousands of  
faculty profiles.

Apply for the programs  
that **fit you** best.

## Future in the Physical Sciences & Engineering

Featured Graduate Programs for 2014-2015

**Boise State University**  
Materials Science and Engineering

**Brown University**  
Department of Physics

**Case Western Reserve University**  
School of Physics

**Central Michigan University**  
Department of Physics

**College of William and Mary**  
School of Physics

**Colorado School of Mines**  
Department of Physics

**Dartmouth College**  
Department of Physics and Astronomy

**Georgia Institute of Technology**  
School of Physics

**Northern Illinois University**  
Department of Physics

**Rice University**  
Professional Master's Program for  
Nanosciences and Space Studies

**Rochester Institute of Technology**  
RIT – Chester F. Carlson Center for  
Imaging Science

**University at Buffalo**  
*The State University of New York*  
**State University of New York (SUNY),  
Univ. at Buffalo**  
Department of Physics

**University of Arkansas**  
Department of Physics

**University of Central Florida**  
Department of Physics

**University of Denver**  
Department of Physics and Astronomy

**University of Illinois at Chicago**  
Department of Physics

**University of Pennsylvania**  
Master of Medical Physics

**Graduate Programs  
Outside the U.S.**

**Ryerson University, Canada**  
Biomedical Physics

**Nanjing University, China**  
School of Physics

**Shanghai Jiao Tong University, China**  
Department of Physics and Astronomy
