TO: New Plant Sciences Graduate Student

RE: Helpful Information

Welcome to the Department of Plant Sciences at the University of Wyoming!

When you arrive, please come to Room 49 in the basement of the Agriculture Building, where you will receive a packet of information to help you settle in, as well as your office assignment, keys, building access, etc. In addition, you will need to do the following:

- complete your I-9 on or before your first day of work (see the Employee Hire Checklist and the List of Acceptable Documents page in your packet);
- file a Tax Withholding Form (Federal W-4);
- submit a Direct Deposit Authorization; and
- get your WyoOne ID card (their office is located in the IT Building in Room 167, just east of the open computer lab).

Your student email account will be accessible through the email icon on wyoweb.uwyo.edu. As an admitted student, you get access to WyoRecords before you get access to your uwyo email, which is assigned by the university. To begin, on wyoweb.uwyo.edu click on the "Obtain Username and Initial Password" blue link toward the top right. This will allow you to set up your login so that you can enroll in classes. You will need a PERC number to enroll, so please contact your advisor for your specific number. After you enroll, it can take up to two days to activate your uwyo email. All Plant Sciences communications will be sent to your UW email address, so be sure to check it regularly.

Once you are settled in, you will need to contact your advisor regarding necessary trainings, particularly the following:

- Pesticide Safety Training – for working at Greenhouse/LREC (contact Ryan Pendleton via email at pendletn@uwyo.edu)
- Laboratory Safety Series (OSHA) Training (4 hours total, offered online - https://uwyo3.catalog.instructure.com/browse/14/21):
  - New Employee Safety Orientation (1 hour)
  - Laboratory Safety “Chemical Hygiene & GHS / OSHA” (2 hours)
  - Regulated Waste Management (1 hour)
- Motor Vehicle Access: (Vehicles)

If you are an international student, you will also need to check in with Student Health (http://www.uwyo.edu/shser/international-students.html). You must go to Student Health with your medical information prior to registration for classes. You will also need to check in with the International Students and Scholars office in Suite 5 of the Cheney International Center, in the basement of Student Health (http://www.uwyo.edu/iss/).

If you are flying to Denver and need a ride to Laramie, there is a bus that travels to and from Denver International Airport called Groome Transportation (formerly called Green Ride). Here is the link and the schedule: https://groometransportation.com/wyoming/.

Lastly, if you have not already found a place to live, there are many Facebook groups that you can join that may help you find housing off campus. Some of them are listed on the Additional Resources page. Also included are groups where items are sold, as well as the local
newspaper. If you prefer to live on campus, here is the link to our Housing, Dining and Residence Life Services: [http://www.uwyo.edu/reslife-dining/](http://www.uwyo.edu/reslife-dining/).

This is a lot of information, so let us know if you have any questions. We are happy to help. Again, welcome to our department – we are glad you are joining us!

Non-Benefited & Student Employee Hire Checklist

__ I-9: Due no later than your first working day or your reporting date. 

The Immigration Reform and Control Act of 1986 makes it unlawful for the University of Wyoming to hire any individual who has not complied with the law's verification requirement. All international employees MUST go to International Student Services (ISS), Knight Hall, Room 241, first before completing their I-9. Complete Section I of the Electronic Form I-9 ON or BEFORE your 1st day worked via our vendor, Sterling Talent Solutions. You will be invited to complete your I-9 as part of your hiring experience or from a Staffing Partner. You may also come directly to HR to complete an I-9. Once Section 1 of the electronic Form I-9 is completed, you have 3 business days to complete Section 2 of the Electronic Form I-9, which is completed by HR at our office - located in Hill Hall room 327. Please see the List of Acceptable Documents if necessary. To complete an I-9 form, all employees must submit original documents that establish employment authorization (i.e. passport and I-94). For more information or questions contact the Human Resources Department at (307) 766-2377 or jobapps@uwyo.edu.

International Employees:

__ International Student Services (ISS) Check

All non U.S. citizens and/or permanent residents must first confirm their immigration status and/or employment eligibility with International Student Services (Knight Hall, Room 241) prior to beginning any employment at the University of Wyoming. These potential employees must bring relevant original travel/employment documents (i.e., valid passport, I-94, I-20/DS-2019, Resident Alien Card (Green Card), or I-797 (Approval Notice) to ISS for review prior to initiating the I-9 process.

__ Visa Applications/Fees

Non-immigrants that have questions regarding a change to their current visa status are urged to check with International Student Services (Knight Hall, Room 241) prior to making arrangements for any change in employment. Please Note: Visa fees and immigration petition fees are the responsibility of the individual and not the University of Wyoming.

__ Tax Information

All International Employees must contact the Tax Office, Room 401, Old Main, prior to receiving their first paycheck to determine their status regarding United States taxes. The United States has tax treaties with several countries that reduce tax rates on certain types of income. Tax treaty information is available. Exemption from taxes is not automatic. Make an appointment with Casey Green (307) 766-2821 to review your tax situation and fill out any required paperwork to claim tax treaty benefits you may be entitled to.
Social Security Number: Complete ASAP

All UW employees must have a valid U.S. Social Security Number. Applications for a Social Security Number can be obtained from International Student Services (Cheney International Center, Suite 5 [Basement of Student Health]). On-line applications are also acceptable, and can be found at http://www.ssa.gov/. To get an original number and card, you’ll need to complete an Application for a Social Security Card (Form SS-5), and show documents that prove your age, identity, U.S. citizenship or lawful alien status.

The process of receiving your permanent number and card can take anywhere from six to eight weeks. In the meantime, you will be assigned a temporary Social Security number by Human Resources, Admissions, or the Campus Express office. It is imperative that you bring your permanent number to Human Resources or Payroll Office as soon as you receive it.

Additional Information

WyoOne ID Card

The WyoOne ID card is your University identification card. It allows you to write checks on campus, use library services, apply for a parking permit, access recreational facilities (purchased separately), and to receive a discount on athletic tickets (restrictions apply). It can also be used as a debit card for on-campus purchases. Spouses and dependent children are eligible for a card. Please contact the WyoOne ID Office in the Information Technology Center (ITC Building) on the Main Floor or (307) 766-5267 with questions. Your first card is free (replacements are not, so don’t lose it!).

Direct Deposit

Direct Deposit is available for all UW employees. Contact the Payroll Office, Hill Hall, (307) 766-2217. You may also print off the form.

Get paid. The first step to getting paid is to complete your payroll documents. Make sure your I-9, W-4 and Direct Deposit form are all complete on or before your first day of work. As a full-time, benefited employee, you will be paid once a month and your payday will generally be the last working day of the month. There are occasional exceptions to this, such as the month of December, so please check with your department or with the Payroll Office (766-2217) to verify. You are strongly encouraged to sign up for direct deposit of your paycheck to ensure that you get your money ON payday. If you choose not to sign up for direct deposit, your paycheck must be mailed and may not be received until sometime after the pay date. Paystubs are available electronically through WyoCloud.

Parking Permits

Vehicle and motorcycle parking permits are available to employees. Contact Transit and Parking Services @ Hill Hall Room 427, (307) 766-9800 or obtain a form for permits online at http://uwyo.edu/tap.
**Know Your Rights and Responsibilities**

The [Employee Handbook](#) is an invaluable resource and all employees are encouraged to read it.

**Get your Email Address**

Email is the primary way that UW faculty, staff and students communicate! To get your very own uwyo.edu address, complete the requested fields by visiting the [IT Login Information page](#) and you will be provided with a user name and password.

**Get Trained**

"[Harassment and Discrimination Prevention](#)" is a REQUIRED training for ALL employees within 90 days of hire. For more information on this and other opportunities for training and professional development, please visit [Diversity and Employment Practices](#) and/or [Human Resources Training](#) pages.

Instructions for Graduate Students Needing Expense Reimbursements

If you incur expenses and want to get reimbursed, please complete the following steps:

- **Complete all trainings in “Learning” under your WyoCloud profile**

- **Reimbursement for expenses will go to the same bank account as your payroll direct deposit account (instructions to set up direct deposit below):**

- **Add our Accountant (Winter Hansen) as your delegate for expense report:**

- **Fill in expense items and attach receipts in your expense report:**

- **Meals:**
  - For travel > 24 hours with overnight stay:
    - Use per diem calculator – no meal receipts required
  - For travel < 24 hours with no overnight stay:
    - Meal receipts required
    - If traveling for field work, put “Field Work” in the Description section

- **Mileage:**
  - Using UW vehicle: Fuel receipts required (write UW license plate # on receipt)
  - Using personal vehicle: No fuel receipts required – reimbursed at standard mileage rate

- **Conference Travel:**
  - Attach an Agenda – deduct the per diem amount of any meal provided as part of the conference from your calculations

8/2/22
- Ask your supervisor which account number to use

- **Email our Accountant** Winter Hansen, winterh@uwyo.edu to give her the number of the expense report you created above and the account number (such as departmental allocation or a particular grant number) to use when it is ready to submit
  
  **(PLEASE DO NOT SUBMIT YOURSELF)**

- When you receive an email notification that you need to Approve the report, approve it. If it doesn’t work from within the email, go back to WyoCloud and approve it from your notifications at the top or from your action items at the bottom of the home page.

- Here are some useful instructions regarding expense reports:

M.S. Checklist

☐ Committee Assignment form has been approved by the Department Head, the College Associate Dean of Academic and Student Programs, and the Vice Provost/Dean of Graduate Education, and the form is on file with the Office of the Registrar. This should be done in consultation with your Major Advisor in the first two semesters of your graduate program.

☐ Program of Study form has been completed and approved by your Graduate Committee, Department Head, and the College Associate Dean of Academic and Student Programs. This form should also be on file with the Office of the Registrar. It is suggested that discussion and approval of the Program of Study be an agenda item at a committee meeting within the first year of your graduate program. The program should be filed no later than the end of your second semester (or second Summer Session if enrolling only in summers). You will be officially admitted to candidacy for the master's degree upon successful completion of this form.

☐ The Final Examination may not be held until after the beginning of the semester in which coursework is completed. The Final Examination date, time, and place must be made public at least two weeks before the examination. This will typically be done by providing the information (along with a research abstract) to the Department Head’s office, where it can be distributed. The format of the Final Examination is at the discretion of your Graduate Committee, and typically involves an oral examination, but may also involve a written examination. The thesis document must be submitted to your Graduate Committee at least three weeks prior to the final exam. The Final Examination typically begins with a public presentation of your research, followed by questions from interested faculty and your Graduate Committee. The Final Examination must be held at least 10 days prior to the end of the semester in which you wish to graduate. The Report of Final Examination form must be approved by your committee (majority vote), the Department Head, and the College Associate Dean of Academic and Student Programs. The form must then be filed with the Office of the Registrar.

☐ An Anticipated Graduation Date form must be filed with the Office of the Registrar. This form should be submitted as early as possible in the semester in which you intend to graduate.

ALL PAPERWORK IS DUE BY THE LAST DAY OF CLASSES IN THE SEMESTER YOU PLAN TO GRADUATE.
Ph.D. Checklist

☐ Committee Assignment form has been approved by the Department Head, the College Associate Dean of Academic and Student Programs, and the Vice Provost/Dean of Graduate Education, and the form is on file with the Office of the Registrar. This should be done in consultation with your Major Advisor in the first two semesters of your graduate program.

☐ Program of Study form has been completed and approved by your Graduate Committee, Department Head, and the College Associate Dean of Academic and Student Programs. This form should also be on file with the Office of the Registrar. It is suggested that discussion and approval of the Program of Study be an agenda item at a committee meeting within the first year of your graduate program. The program should be filed no later than the end of your second or third semester (or second Summer Session if enrolling only in summers).

☐ Preliminary Examination should be taken after your Graduate Committee has approved your Program of Study. The Preliminary Exam must be held at least 15 weeks prior to the final examination, and after at least 30 hours of coursework have been completed. The format and conduct of this exam are the responsibility of your Graduate Committee, and thus you should consult with your Major Advisor on the requirements for successful completion. It is common in the Department of Plant Sciences for both a written examination and oral examination to be conducted. A Report on Preliminary Examination for Admission to Candidacy form must be completed and submitted to the Office of the Registrar upon completion of the Preliminary Examination, regardless of the outcome (pass or fail). You will be officially admitted to candidacy for the doctoral degree upon successful completion of the Preliminary Examination.

☐ The Final Examination may not be held until after the beginning of the semester in which coursework is completed. The Final Examination date, time, and place must be made public at least two weeks before the examination. This will typically be done by providing the information (along with a research abstract) to the Department Head’s office, where it can be distributed. The format of the Final Examination is at the discretion of your Graduate Committee, and typically involves an oral examination, but may also involve a written examination. The dissertation document must be submitted to your Graduate Committee at least three weeks prior to the final exam. The Final Examination typically begins with a public presentation of your research, followed by questions from interested faculty and your Graduate Committee. The Final Examination must be held at least 10 days prior to the end of the semester in which you wish to graduate. The Report of Final Examination form must be approved by your committee (majority vote), the Department Head, and the College Associate Dean of Academic and Student Programs. The form must then be filed with the Office of the Registrar.

☐ An Anticipated Graduation Date form must be filed with the Office of the Registrar. This form should be submitted as early as possible in the semester in which you intend to graduate.

TIPS FOR THE ROAD

Bright, reflective clothing increases visibility. Use a helmet to protect your brain! Your helmet should be snug but not tight, it should sit level on your head (not tilted back with the front edge no more than a width of approximately 2 fingers above your eyebrows.

Be aware of low angle sun during fall and spring as motorists may not see you.

Use hand signals to let pedestrians, cyclists and drivers know your intentions. Make eye contact with motorists to make sure they are aware of your presence.

Take the full travel lane if the road is too narrow for motorists to pass. Avoid weaving around parked cars. Riding predictably increases safety for all roadway users.

Be aware of your surroundings. Avoid using earphones, texting or talking on a cell phone while riding.

“Sharrows” (shared roadway markings) are placed on roadways that are links in the bicycling network. They indicate where bicyclists can ride safely and motorists are aware of bicyclists.

When biking in a park or shared use path, be mindful of other path users. Paths are designated for low speed use. Stay to the right when using a path. Pass on the left and use an audible warning when passing. Ride single file during congested conditions.

Cross railroad tracks at a 90° angle (perpendicular). Tracks can be slippery when wet. Ride around storm and sewer gratings.

Securely lock your bike with a U-lock or cable lock. Secure detachable items and leave your bike where others can keep an eye on it.

Bikes operated or parked on UW property are required to have a $5 permit, which can be acquired through the UW Police Department.

TRAFFIC LAWS

In Wyoming, a person riding a bicycle has all the rights and responsibilities as a motor vehicle driver. Obey all signs, lane markings and traffic control devices.

Stop at stop signs and red lights. Yield to pedestrians. The posted speed limit should be obeyed by all roadway users.

Keep at least one hand on the handlebars at all times.

Persons riding bicycles upon a roadway shall not ride more than two abreast, except on paths or lanes of roadways set aside for the use of bicycles.

Avoid bicycling while under the influence of alcohol or controlled substances. Violations are the same for cyclists and motorists.

Every person operating a bicycle upon a roadway shall ride as near to the right side of the roadway as practicable (or safe).

Bicycling on sidewalks is prohibited except where the sidewalk is part of a designated and marked bicycle path.

A front white light (emitting >500) and rear red reflector attached to the bicycle are required when bicycling at night.

Every bicycle shall be equipped with a brake which will enable the operator to make the braking wheels skid on dry, level, clean pavement.

**SEXUAL MISCONDUCT, DISCRIMINATION, AND WORKPLACE VIOLENCE**

Employees, students, and visitors should feel confident that issues relating to sexual misconduct, discrimination, and workplace violence will be given appropriate attention at UW.

It is important for individuals who are experiencing (or know of others who are experiencing) such behavior to immediately report it to a University official. As the University's policy states, such behavior is prohibited and will not be tolerated. It is also important for individuals who are not sure about such behavior to seek advice from whomever they are most comfortable.

Anyone having questions or comments regarding UW policy prohibiting sexual harassment, discrimination, or workplace violence is encouraged to contact EORR.

**HEALTH AND SAFETY**

If necessary, seek medical attention as soon as possible. Medical examinations are essential to detect injuries, and for protection against possible diseases or pregnancy. SANE nurses at Wyoming Memorial Hospital can also help preserve evidence. Medical assistance is available from Wyoming Memorial Hospital (307-742-2142 x 2222) or Student Health Services (766-2130).

If you are afraid for your physical safety, it is best to contact law enforcement. They can discuss possible options such as restraining orders, trespass notices, etc. While you can contact the University Police Department (766-5179, upd@uwyo.edu), Albany County Sheriff's Office (755-3520), or Laramie Police Department (721-2526) using non-emergency numbers, remember that you can also call 911 in the event of an emergency. If necessary, leave the immediate area or lock yourself in a secure location before calling.

The University ensures non-discriminatory practices in all matters relating to its education programs and activities. We can provide interim measures to enhance your safety, including help with academics, housing, employment, and security; please let us know what measures are necessary for you to feel safe during the course of the review.

**OUR ROLE AND SCOPE**

Our review is neutral, and we are not on anyone's "side." We are not a court of law, and our reviews are conducted separately from any criminal or legal processes. Our role is to investigate whether there has been a violation of University policies connected to discrimination, sexual misconduct, or workplace violence as described in the following regulations:

- UW Regulation 4-2 (Harassment and Discrimination)
- UW Regulation 4-3 (Title IX and Sexual Misconduct)
- UW Regulation 1-256 (Sexual Misconduct)
- UW Regulation 4-4 (Workplace Violence)
- Student Code of Conduct

Links to the full policies are available on the Reportit website (www.uwyo.edu/reportit). If we learn about issues not connected to these policies, we can refer those concerns to the appropriate office(s) or process(es).
YOUR RIGHTS/OPPORTUNITIES

- To speak on your own behalf.
- To be accompanied by an advisor or support person who may take notes and advise you, but who may not otherwise participate. (Attorneys may represent a client during hearings that involve possible dismissal.)
- To present evidence on your own behalf. Individuals should retain all evidence which may be relevant, including documents, texts, e-mails, digital messages, and the like.
- To provide names of witnesses who can speak about the alleged conduct at issue.
- To report incidents to law enforcement or appropriate government agencies.
- To not be retaliated against for having filed an incident report or for participating in the investigation.
- To review the written report, or portions of the written report that are relevant to your role, including an explanation of alleged policy violations and the final determination of the investigator, and information about subsequent sanctions and remedies, if any.

CONFIDENTIALITY

Information you provide is confidential to the extent possible, but a written report (assessment memo or report of investigation) is produced for each review. The report will contain information about the allegations, how the review was conducted, and the reasoning used to reach the final determination. Your name may be included in the final report. The final report is typically distributed to the complainant, the respondent, appropriate managers or supervisors, and University Officers. Witnesses do not receive the full report, but may review their statements and any sections of the report directly related to them. If you have concerns about confidentiality, please let us know.

Certain offices on campus offer highly confidential services protected by law. These offices include the University Counseling Center, Student Health Services, and the Stop Violence Program. Information you provide to these offices cannot be shared without your permission, except in extreme cases that involve a minor or immediate danger.

RELOCIATION

The University prohibits retaliation against anyone who reports good faith or participates in the investigative process. Any retaliation may be viewed as harassment itself and may be subject to sanctions as determined by the University. Reports of retaliation are reviewed separately from the original issues.

ADVOCACY

Many people find it helpful to talk to a victim advocate such as the Stop Violence Program (766-3475, stepviolence@uwyo.edu). Advocates provide information about sexual misconduct and additional tips to stay safe, and can accompany a victim to the hospital or court hearings. An advocate's role is to provide support, connect you with available resources, and help explain processes and policies if you decide to make a report. Most advocates are required by law to maintain your confidentiality, so they won't share your information without your consent. The Albany County SAFE Project has an advocate available on campus (766-3434, campus@safeproject.org). Advocates are also available off-campus if that is more comfortable for you (745-3556, info@safeproject.org).

NOTE: STOP and SAFE advocates cannot work with respondents. Respondents may request a process advisor for assistance with navigating the investigative process.

SUPPORT

Dealing with issues such as this can be difficult for anyone. You are encouraged to talk to somebody who will support you.

- Students may contact the University Counseling Center (766-2187) for assistance. Crisis intervention services are also offered during regular clinic hours (8:00 am - 5:00 pm) for students with urgent problems. For after-hours crises, call 766-8989 and ask for the on-call counselor.
- The University also has an Employee Assistance Program (EAP) available through a partner, Mines and Associates (www.minesandassociates.com, 800-873-2180). They provide resources, information, and referrals for beneficial employees about several topics, including counseling. The resources are free to beneficial employees and participation is voluntary and entirely confidential. Employees are not required to contact the EAP, nor to inform anyone at UW if they do choose to use their services.
- Assistance may also be available on-campus from the Psychology Clinic (766-2149) or the Wellspring Counseling Clinic (766-6820). If you prefer to go off-campus, you can contact the PEAK Wellness Center (745-8915).

WHEN A REPORT IS MADE

The University is required to respond to all reports of sexual misconduct, civil rights discrimination, and workplace violence in the most appropriate manner. Responding to these concerns does not indicate that there has been a violation of UW policy. After receiving a report, the University will begin an assessment, which normally will start within 72 hours of receipt of the incident report. Typically, this will include the following actions:

- Initial meeting with person filing the incident report (reporting party) to:
  - Review the incident report
  - Collect/request all relevant evidence and documents
  - Review rights and options
  - Review relevant interim protective measures
  - Initial meeting with the person(s) named in the report (respondent) to:
    - Review the written incident report
    - Collect/request all relevant evidence and documents
    - Review relevant interim protective measures
  - Meetings with witnesses who have direct knowledge of events
  - Review of all relevant documentation
  - Follow-up meeting(s) or contact(s) with the reporting party and the respondent to ascertain additional information, to clarify information, and to update on the status of the investigation process.
  - The person conducting the investigation may, except in cases involving sexual violence, seek to resolve the matter informally.
  - At the conclusion of the investigation, the person conducting the investigation will retain all records and notes of the investigation. Records are retained for a minimum of seven years.
  - The person conducting the investigation shall prepare a written report, including the summary of findings and outcomes. The report is only shared with those who have direct involvement or a need to know.
  - Thereafter, a copy of the summary of findings will be provided to the reporting party and the respondent. Witnesses and support persons will not receive the written report, but may review any sections which refer to them.

Depending on the nature of the incident report, the complexity of the issues and events, number and availability of witnesses, the amount of information to be gathered and reviewed, and other factors, UW will attempt to complete the investigation within 60 calendar days. Additional time may be necessary in order to conduct a fair and equitable investigation. The reporting party and the respondent will be informed periodically of the status of the investigation.

While UW will exercise reasonable diligence in complying with the timelines and procedures outlined, deviations may occur in order to meet the intent of the policy or to ensure the fair and equitable resolution of a reported incident. The reporting party or respondent should notify the Title IX Coordinator of any procedural error or deficiency. A procedural error or deficiency shall not require an outcome in favor of the person allegedly disadvantaged by the error.

SCAN ME FOR ENROLLMENT APPLICATION
April 7, 2022

Thank you for your interest in the Albany County TANF Preschool Partnership! We are once again applying for the continuation of this grant-funded project from the Wyoming Department of Education through the 2022-2023 and 2023-2024 school years. Attached is the application for child enrollment that will be required. Please note that we have 4 locations for TANF preschool in Laramie:

- Basic Beginnings North
- Basic Beginnings South
- Linford Elementary School
- Slade Elementary School

All four locations have the benefit of highly qualified teaching staff and an intentional curriculum that supports children’s development and preparation for the world of kindergarten. **Please indicate your preference of location on the application, as well as your second choice, should your desired location be full to capacity.** Each preschool location offers a morning session and an afternoon session. There are a limited number of enrollment slots in each session. Most of these slots are reserved for children whose family qualifies according to the income requirements noted in the application. These applications will be given priority.

Proof of income for one full month must be included with your application and must reflect earnings within 30 days of the date on the application. This proof is required for every adult over the age of 18 who resides in the home. If any of these adults have no income, a “Zero Income Statement” (also attached) must be completed, signed, and included with your application. If it appears that your application is complete and that you qualify for the program, you will receive notification of CONDITIONAL approval from us. Once we receive final approval for our grant, your application and supporting documentation will then be sent to the Wyoming Department of Education for final approval.

If you do not qualify, there are still options available to you. Basic Beginnings offers additional enrollment slots at our preschool tuition rates. Linford and Slade have a very limited number of slots that are available to over-income families at no charge. **We are unable to answer questions regarding the enrollment of Linford or Slade families who do not qualify.** Those decisions are made by Linford and Slade, so applications that do not qualify will be turned over to the program of your choice for consideration.

If you have questions, you may call (307)742-9332 or email me at laramietanfpreschool@gmail.com. I look forward to receiving your completed application!

Eligibility Guidelines for TANF Money (Non-Assistance)

- TANF money shall only be used for one (1) or more of the following:
1. Provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives;
2. End the dependence of needy parents on government benefits by promoting job preparation, work and marriage;
3. Prevent and reduce out-of-wedlock pregnancies; and establish annual numerical goals for preventing and reducing the incidence of these pregnancies; and
4. Encourage the formation and maintenance of two parent families.

- Contractor shall be specific on what TANF purpose their program/service is addressing.
- Participants served shall be families with a child(ren) with income below 185% of the Federal Poverty Level (FPL).
- Participants also shall meet citizenship/eligible immigrant and residency criteria to be served.

Following are the 185% FPL monthly income guidelines effective 4/1/2022:
