1. Team Composition
   a. A team shall have 2 players.

   a. A coin toss/rock, paper, scissors will precede the match, with the winner having the choice of picking which side of the board from which they would like to play. The winner also decides who will throw first.

3. Gameplay
   a. The object is to score points by tossing the bean bags and landing them on the board or in the hole.
   b. Boards will be placed 20 feet apart in a straight line.

f. Feet must remain behind the front edge of the board when throwing.

5. Game Time and Forfeits  
a. Teams will be scheduled a time for their first matches of the tournament. Teams must be present within 10-minutes of the designated time to avoid a forfeit. The tournament will proceed as quickly as possible through the bracket. Teams still competing in the tournament must stay present at the game site to avoid a forfeit.

6. Terminology  
a. Holer: A bag-in-the-hole is a bag that is thrown through the hole in the board. A bag can be pushed in by other bags from either player. One Holer earns three points to the team whose bag has gone through the hole.  
b. Woody or Boarder: A bag which is not a Holer, but lands with any portion resting on the board. It may not touch the ground before landing on the board. If it does, the bag must be removed from the playing surface before another bag is tossed. A bag hanging on the board surface but also touching the ground also has no point value and must be removed from the playing surface before another bag is thrown. One Woody earns one point.  
c. Stanker or Foul Bag: A bag which is not a Holer or Woody, or a bag which was delivered in non-compliance with one of the rules of the game. It has no point value and is to be removed from the board surface before any more bags are thrown. Bags knocked into foul territory by a Stanker should be returned as closely as possible to their original position. This also applies to bags that are knocked into the hole by a foul bag.
