Overall Campus Champions
Rules and Guidelines

The Overall Campus Champions program is a year-long team Intramural Sports Competition. The Overall Campus Champions' purpose is to encourage friendly competition between students, organizations, and departments as they compete in a variety of intramural activities. The champions will be determined by the accumulation of points throughout the year. The teams with the most points in Men's, Women's, and CoRec divisions will be the University of Wyoming Intramural Sports Overall Campus Champions!

Section I – Eligibility

- A. All University of Wyoming students, faculty, spouse, and staff who meet intramural eligibility requirements are permitted to compete.

Section II – Entry Information

- A. Overall Campus Champion Entries
1. Entry packets are available in the RecSports Office, Half Acre 223. The office is the only place registration is taken. A team will not be awarded points until the official team roster is on file in the RecSports Office. Entries are available August 26th through November 26th.
 2. Teams can be comprised of students representing residence halls, fraternities, sororities, departments, or other student organizations. Students can also be organized independently (teams not associated with any of the previously mentioned groups). Faculty and staff of the university are also eligible to enter the competition. They can form faculty/staff or department teams or join student teams.
 3. Entries are available to Men's, Women's, or CoRec teams.
 4. A TEAM MUST KEEP THE SAME TEAM'S NAME THROUGHOUT THE ENTIRE YEAR. Points will only be tallied for teams using the name registered on the official team roster. Exception: If a team enters two or more teams in an intramural event, they can distinguish between the teams by using numbers (1, 2, 3, etc.), letters (A, B, C, etc.) or colors (gold, green, etc.).

5. The official team roster will be on file in the RecSports Office. The roster may not consist of more than 20 names. Points will not be counted for an individual until they are on the roster. Only the Team Captain can add players. A team may change 5 names at the end of each semester.
- B. Entry in Intramural Sports Competition
1. An OCC team may enter as many teams/individuals as they would like for each league or tournament sport, individual sport, and dual sport.
 2. Each individual may only enter the OCC on a maximum of two teams (Men's and CoRec or Women's and CoRec).

Section III – Point System

- A. Participation Points
1. A team will receive 50 participation points for each team entered in a team sport.
 2. A team will receive 25 points for each individual entered in an individual or dual sport. Note: If two males or females from the same team are partners in a dual sport, both persons will receive the full 25 participation points.
- B. Bonus Points
1. Bonus points are awarded to both teams and individuals that place in the top eight in post-season or tournament play.
 2. An entry into the Competitive Division offers the most bonus points.
 3. If a team has more than one team in a division, bonus points will only be awarded to the team that advances the farthest. Note: All teams will still receive full participation points.
 4. In individual and dual sports competitions, all individuals representing a team are eligible for bonus points. Note: If two males or females from the same team are partners in a dual sport, both individuals will receive full bonus points.
 5. Points are only awarded to your team in the assigned league or division. CoRec points will only be awarded to your CoRec team. Men's and Women's points will only be assigned to your Men's or Women's team.
 6. A team will receive 25 points for each participant that officiates/supervises for the intramural program each semester they work.
