### ***PAINTBALL TOURNAMENT RULES***

Updated: September 11, 2017

#### **1. TOURNAMENT FORMAT AND RULES**

- a.) Multiple types of paintball games will be played during the event. All games will be coordinated by the Two Chicks Paintball staff. Players wishing to play with or against specific individuals simply need to inform the Two Chicks Paintball staff before play begins.
- b.) Two Chicks Paintball will provide all the rules and regulations for all of the games. You must conform to all of Two Chicks Paintball rules in order to participate in the events at Two Chicks Paintball. Violators of Two Chicks Paintball rules will be removed from the event without refund.
- c.) The following rental equipment is included:
  - Marker (Tippman Model '98)
  - 500 paintballs
  - Facemask with eyeshield
  - Unlimited CO2
- d.) Two Chicks Paintball will have other equipment available for rental on-site.
- e.) Note that games will be played outside at 7500 feet near the CO/WY border, so players are advised to wear a backwards hat with a hard bill, long-sleeved shirt(s)/jacket, long pants, gloves, and appropriate outdoor rugged-terrain closed-toe footwear. This clothing is not only for weather, but also for your protection from paintballs.
- f.) Players are required to wear protective facemask with eyeshield at all times. Players are allowed to use their own protective equipment, as long as it meets the requirements of Two Chicks Paintball.
- g.) Players may use their own paintball markers, HOWEVER: All paintball markers must meet all of the requirements of Two Chicks Paintball, and air pressure must be under 300psi. (Two Chicks Paintball has the necessary equipment to properly adjust air pressure if necessary.)
- h.) Players CANNOT bring their own paintballs. All players MUST use the paintballs provided by Two Chicks Paintball.
- i.) It is strongly recommended that all players bring extra cash; the original fee covers the first 500 paintballs, additional paintballs thereafter cost \$5.00 per 100 rounds or \$70 per 2000 rounds and are the participants' responsibility to purchase.
- j.) Players are advised to bring plenty of drinking water, as there is not running water at Two Chicks Paintball. Two Chicks Paintball will have drink and snack concessions available for cash purchase.
