

UNIVERSITY OF WYOMING

Intramural Sports

SPORTS TRIVIA BOWL RULES

(Updated 3/18/2019)

1. The test will be administered anytime between 10:00am and 5:00pm at the RecSports Office during the entry period.
2. The test will consist of 15 questions broken down into three (3) rounds of questions pertaining to pop culture, sports movies, current events, and the history of youth, collegiate, professional, and international sports. If it is a question related to sports, it is fair game.
3. The Game: Round 1 will consist of 8 questions from random categories given to all competitors. All questions are worth 1 point. A 'perfect round' results in a 1 point bonus question asked only to that person. In Round 2 competitors will pick three numbers that will correspond to three random categories. The numbers selected must be between 1 & 20, each number corresponds to a random category. Each competitor gets 3 questions, the questions are worth 2, 3 and 5 points. In round 3, each competitor spins the category wheel and can re-spin once if they chose to. Competitors will get 4 questions from the chosen category. All questions are worth 2 points (Multiple Choice is allowed). If multiple choice is requested the point value drops to 1 point.
 - Tie Breaker Rule:
 - Red light challenge: A single question with multiple part answers. The participant has 30 seconds to get all answers (e.g., name all seven major sports trophies). If the contestant gets each part of the answer correct, they gain 10 points. No penalty for wrong answers until you get them all or time runs out. 30 seconds to answer the question from the time I finish asking. Person with most correct answer wins the tie breaker
 - Final Jeopardy/Betting Round: Prior to the question being asked, players will bet points between 1 and 5. In Final Jeopardy, the contestants are given a category, but must make their own wagers before seeing a universal clue and writing a response. For this round, all participants are given the same 30-second time period to answer.
4. Participants must keep all electronic devices away during testing. Paper and pen will be provided by the RecSports Office Staff.
5. The top 10% of male and female scores will be declared the winners and will receive intramural champion t-shirts.

Good Luck!!
