PETITION TO EXCEED 4 YEAR TIME LIMITATION – PRELIMINARY EXAMINATION

This form must be typed or word processed

REGULATION: Completion of The Doctoral Degree Within Four Years After Passing the Preliminary Examination

Passing the preliminary examination had certified that the committee was satisfied with the course work competency of the student. Therefore, the student was given FOUR (4) years in which to complete the degree requirements. As a result of not completing within that time period, the committee must recertify the course work competency of the student.

This petition expires on the projected graduation date or in one year, whichever is first.

Note: The University of Wyoming, as a fully-accredited public institution of higher education, must comply with general laws, regulations and principles of fairness, uniformity and accountability. **Exceptions to uniform application of general regulations are justified in extraordinary circumstances when necessary to prevent or remedy an unfair or unjust consequence.**
