What is a camera and how do you create a photograph? This class will look to question your assumptions about these as we learn how cameras function, what the bare necessities are to have one and how many different methods there are to create photographic imagery. We will explore room sized camera obscuras, tiny home made pinholes and other lens-less camera-less methods of photography all while looking through mediums history and reading discussions.

Mathematics 766-4221

Prompt, accurate and personalized academic advising is a top priority at the University of Wyoming. If you need advising assistance or have advising concerns, please contact: Advising Coordinator Bill Weber (766-6547).

An asterisk (*) following the course reference number (CRN) indicates controlled enrollment. You must contact the appropriate academic department to obtain permission to register for the course and for professor/section choice.

The Math Department checks prerequisites on all courses approximately one week prior to the beginning of each semester. Students without an appropriate prerequisite will be administratively dropped from their math course. Most courses will be placed under controlled enrollment one week before classes begin. Students will be unable to register for these courses through WyoWeb and should use the online registration request form found at <http://www.uwyo.edu/math/math-registration> to have prerequisites checked and get enrolled in a math course. Department staff will help students who were dropped from a math class enroll in an alternative math course. The Math Department makes every effort to accommodate all students wanting to get into a math course. Due to the volume of students the department serves, all phone inquiries cannot necessarily be answered. If students are calling from off-campus, messages can be left at (307)766-4221. PLEASE SEE THE FRONT SECTION OF THE SCHEDULE FOR INFORMATION ON MATH PLACEMENT.

Prompt, accurate and personalized academic advising is a top priority at the University of Wyoming. If you need advising assistance or have advising concerns, please contact: Advising Coordinator Jennifer Turpen (jturpen@uwyo.edu) or Department Head Scott Turpen (766-5242).

An asterisk (*) following the course reference number (CRN) indicates controlled enrollment. You must contact the appropriate academic department to obtain permission to register for the course and for professor/section choice.

Non-music majors enrolling for applied lessons (private or small-group) must have consent of instructor. For applied lessons and all other TBA courses, students must complete the "Applied Music Application," which may be found in the Department of Music, Buchanan Center for the Performing Arts 2049. Additional fees assessed for applied music courses, as follows:

Section 01 (1 credit)	\$150.00 plus \$35.00 practice room fee
Section 02 (2 credits)	\$300.00 plus \$35.00 practice room fee

All performing ensembles will require extra time beyond the scheduled class times for dress rehearsals, concerts and tours.
