

X. PHYSICAL PLANT

A. BUILDINGS

The selection and employment of architects for all buildings of the University, the adoption of plans, specifications, and details for such buildings, and the receiving of bids and awarding of contracts shall be a function of the Trustees upon recommendation of the Physical Plant and Equipment Committee. Through this Committee, the Trustees shall maintain general supervision over the construction and equipping of all University buildings.

Names of buildings shall be selected by the Trustees. No building shall be named after any person actively connected with the University at the time.

B. MOTOR VEHICLES

The unauthorized use by any officer or employee of any motor vehicle belonging to the State of Wyoming or the use of any such vehicle except on official business is prohibited by state statutes. The prohibitions contained therein apply to motor vehicles owned by the University.

C. PURCHASES

Preference shall be allowed in purchase of materials, supplies, equipment and machinery provided by bona fide Wyoming residents when such materials, supplies, equipment, machinery or provisions are of quality equal to those of any other state enforcing or having a differential for "out-of-state" materials, supplies, equipment, machinery, or provisions. Such preference shall be five percent (5.0%) and shall apply to materials, supplies, equipment, machinery or provisions produced, manufactured or grown in this state, and to materials, supplies, equipment, and machinery supplied by a Wyoming resident. However, preferences shall not be given in violation of any Federal law, rule or regulation. Whenever Federal laws are applicable, Federal laws shall supersede any State laws.

For purposes of purchases described in the above paragraph a bona fide Wyoming resident shall be construed to mean a person, partnership or corporation certified as a resident by the Commissioner of Labor and Statistics prior to bidding upon the contract, subject to the following criteria:

1. Any person who has been a bona fide resident of the state for one (1) year or more immediately prior to bidding upon the contract; or
2. A partnership or association, each member of which has been a bona fide resident of the state for one (1) year or more immediately prior to bidding upon the contract; or

3. A corporation organized under the laws of the state with at least fifty percent (50%) of the issued and outstanding shares of stock in the corporation owned by persons who have been bona fide residents of the state for one (1) year or more prior to bidding upon the contract, and which maintains its principal office and place of business within the state; or
4. A corporation organized under the laws of the state which has been in existence in the state for one (1) year or more immediately prior to bidding upon the contract and maintains its principal office and place of business within the state. If at least fifty percent (50%) of the issued and outstanding shares of stock in the corporation are owned by nonresidents, shares of the corporation shall:
 - a. have been acquired by nonresidents one (1) year or more immediately prior to bidding upon the contract; or
 - b. be publicly traded and registered under Sections 13 or 15(d) of the Securities Exchange Act of 1934 for one (1) or more classes of its shares.
