

## 2019 Harlow Summer Seminar Series and Special Events

AT THE AMK RANCH NEAR LEEK'S MARINA, NORTH OF COLTER BAY

Open to the public – reservations not required.

**Thursdays, 5:30 pm BBQ followed by seminar at 6:30, \$5 suggested donation**

Visit our website ([uwnps.org](http://uwnps.org)) for more information and to join the mailing list

**June 13 The Bees Just Keep Coming! Adventures with the Migrating Giant Honey Bees of Thailand**

Will Robinson, Biology Instructor, Casper College

**June 20 AMK Research Expo**

An informal research expo by some of the researchers that are housed at the station. This is a fantastic opportunity to learn about the exciting science done here at the station and the region.

**June 27 For Everything There Was a Season-Retracing Craighead's Footsteps to Track Phenology Shifts in the Tetons**

Trevor Bloom, Phenology Scientist, The Nature Conservancy Research Associate, Northern Rockies Conservation Cooperative

**July 4 No Seminar – Enjoy the Holiday**

**July 11 How Wyoming's Big Game Make Their Epic Migrations**

Jerod Merkle, Knobloch Professor of Migration Ecology and Conservation, Department of Zoology and Physiology, University of Wyoming

Due to the replacement of water and wastewater systems, the UW-NPS Research Station will be closed to the public beginning July 15, 2019. We'll reopen in May 2020
