

AIG Travel Protect

AIG supports organizations and their people wherever their travel takes them — combining our global expertise in travel assistance services to help keep every journey safe and supported.

Looking ahead for you.

From small disruptions to big ones, AIG Travel Protect provides flexible, global medical support, security and travel assistance around the world, helping to ensure our clients' people remain focused on the journey at hand.

AIG Travel Protect can help clients meet their duty-of-care obligations to their people – whether for security issues, medical emergencies or travel inconveniences and more. Wherever traveling employees, members and/or participants may be, in the event of a medical emergency or unexpected travel disruption, they are never more than a phone call away from our experts – with services operating 24/7 365 days.

Travel Assistance Services

AIG Travel Protect provides a broad spectrum of services, key highlights include:

Calls are handled by trained specialists including registered doctors and nurses – with support available in most major languages.

24/7 365 days response service to assist travelers and their families when they travel.

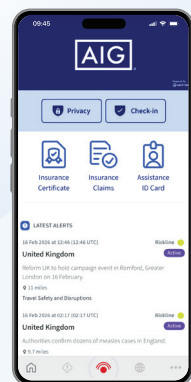

Our approach is to assist first. We won't waste your time on unnecessary policy verification steps.

Begin your claim directly in our secure mobile App or web portal.

Supporting travelers with security and travel inconveniences, such as evacuation assistance, meet and greet, lost personal items or luggage, as well as providing support with organizing transportation.

AIG Travel Protect App – an essential travel tool, with real-time risk alerts and the ability to track and manage safety and security by country and city.

Tailored services, wherever and whenever your people travel

We have the world covered – assisting your people worldwide.

Minimizing risk – proactive planning and expert response, helping to ensure your peoples’ safety wherever they are.

Enabling you to meet your duty of care obligations – to your people.

Easy program to administer – connecting insurance, services and claims with no additional requirements for administrative oversight.

Streamlined coordination – between your organization’s risk management, HR and security departments.

Full cost transparency – there are no additional or hidden fees at time-of-service.

For travelers

Ensures travelers can access global support 24/7 365 days wherever they are in the world.

Access to trained staff including doctors and nurses providing support.

Market-leading AIG Travel Protect App, where you can access local emergency numbers in one click.

Why AIG
