RMSO Main Office

Risk Management & Safety Office
 UW

Risk Management and Safety offers training throughout the year. An alphabetical listing of the current courses is below. Some are presented on-line. There are no registration fees for any of the courses offered by RMSO.

The majority of these classes are required for anyone who is reasonably expected to be exposed to hazards in the course of their employment or studies. This includes faculty, post-docs, undergraduate and graduate students, part-time employees, and work-study students.

To register for any of these classes:

1. Register by selecting the **REGISTER** link next to the course listed on this page (below).
2. **If a class is not currently being offered, contact uwehs@uwyo.edu.**
3. Written instructions for registering on-line can be found in [this document](#).
4. Call Risk Management & Safety at 766-3277 for assistance.

RMSO Training Descriptions

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

The classes you selected show up here

(8) Then click Checkout

After you check out you should see this message.

(9) Return to NCCC Home to launch the training immediately

You have been registered for the following:

Course: Respiratory Protection

Instructor: ONLINE

Location: ONLINE

Expire Date: 3/1/2015

Cost: \$0

Details: Potential exposure hazards during routine & emergency situations. Proper use, donning, limitations, and maintenance of respirators. How to clean, disinfect, store and inspect respirators. Human respiratory system and procedures for program evaluation. OSHA 29 CFR 1910.134

Required for employees who are required to wear a respirator as part of the job description. Must first pass a pulmonary function test (PFT) and quantitative respirator fit test before a respirator can be issued.

To launch this online training course, please log in to WyoWeb at <http://wyoweb.uwyo.edu> and click UW Employee Self Service under the My Workplace tab. From there, go into Self Service > Courses and Conferences > Home Page. Click the Launch Training Link and accept all pop-ups.

NOTE: If you need to print a certificate, you must do it immediately upon mastering the final test or you will have to retake and master the final test again.

You will also get an email with important information.
It is a good idea to read it first!
