

LTST 2060-40 POST 1945 SOCIAL JUSTICE MOVEMENTS

Spring 2023
Online Class
Crosslisted with NAIS,
GWST and AAST

This fully online course looks at important social justice movements in the post-Cold War era. The class focuses on important major social movements including the African American Civil Rights Movement, the Chicano/a Movement, the American Indian Movement, Second Wave Feminism and the Gay Rights Movement. The course offers a foundation for understanding present day topics and conversations around discrimination and inequality, and concludes by discussing present day social justice issues.
