

# CORE-CM TASK 7 UPDATE

**Christine Reed**

Director of Outreach

UW School of Energy Resources

Prepared for GGRB-WRB Annual Forum

November 2, 2023

School of  
Energy Resources

*THE WORLD NEEDS MORE COWBOYS.*

# Task 7 Outreach and Education

## GREATER GREEN RIVER AND WIND RIVER BASINS

WORKFORCE TRAINING & DEVELOPMENT  
COMMUNITY ENGAGEMENT  
OUTREACH AND EDUCATION

School of  
Energy Resources

# Task 7 Outreach and Engagement

## OBJECTIVES OF CORE-CM OUTREACH

- ✓ **Providing information on the project to the target communities**
- ✓ **Assess existing resources & infrastructure**
- ✓ **Identify gaps in communication and training**
- ✓ **Make recommendations**

# Task 7 Outreach and Education

## ACCOMPLISHMENTS AND EFFORTS

- **Website and High-Level Informational Resources**
- **Webinars**  
*The webinar series has covered varying topics related to REE and CM; the webinars are open to the wider community and designed to educate and bring in more stakeholders and interested community members.*
- **Annual Forum**  
*In-person event hosted on-site in the GGRB to provide updates on project task and allow industry partners and stakeholders to connect.*
- **Collaboration with other CORE-CM and DOE Projects**
- **Expanding Contact List**

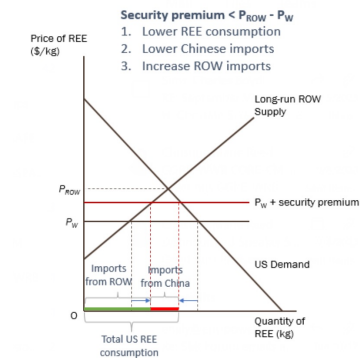

**The cost of U.S. rare earth element import dependence: An economic perspective**

Prabuddha Prakash & Charles Sims

# Task 7 Outreach and Education

## OTHER EFFORTS IN COMMUNITY EDUCATION & OUTREACH

### TRIBAL OUTREACH

**Continuing Efforts to Expand Projects and Education:**  
Working with the University of Wyoming to expand curriculum.

**Provide Information and Options:**  
Finding opportunities to engage with the Wind River Reservation

- Attended community meeting:  
<https://www.youtube.com/watch?v=SMRvzniRZnM>
- Creating resource guides
  - Indigenous Energy Resources Story Map
  - Permitting and Funding resources guide

**TRIBAL WATERS**

**Wind River Community Education and Involvement Meetings**

**5:30 pm - 7:50 pm**  
Free and open to the public. Families are welcome.

**Agenda**  
5:30 pm - Dinner  
catering by Chingy's Smoke & Grub

6:10 pm - Film: **Tribal Waters with Discussion**  
The waters of the Wind River are crucial to our way of life, history, and customs as Shoshone and Arapahoe people. After hundreds of years of witnessing our waters, lands, and culture come under constant attack, there is hope that an outdoor-based, sustainable recreational economy could flourish here.

7:00 pm - **Q&A Discussion**  
7:50 pm - End

**We need you! Join us to learn more and discuss how we can protect our waters.**

Community	When	Where
Crowheart	Monday, April 17, 2023	Big Wind Hall 33 Old Yellowstone Hwy, Crowheart, WY
Fort Washakie	Tuesday, April 18, 2023	Fort Washakie K-8 Commons 90 Ethete Rd, Fort Washakie, WY
Ethete	Wednesday, April 19, 2023	
Arapahoe	Thursday, April 20, 2023	Arapahoe School Multi-Purpose Room 445 Little Wind River Bottom Road Arapahoe, WY
