

# WYOMING'S ENERGY FUTURE

Sponsored by the UW School of Energy Resources and the Wold Foundation

## Call for Posters

University of Wyoming Students are invited to showcase a poster of their current, energy related research projects at the Wyoming's Energy Future Symposium on September 12, 2024. Posters will be on display throughout the conference and presenting students must be available to discuss their work with conference attendees during the breaks and networking reception. A winner will be selected by the Wold Foundation to receive a \$500 prize, and get to showcase their project at the Energy Day reception on October 11 with the School of Energy Resources.
