

NATIONAL TRANSFER STUDENT WEEK: OCTOBER 20 - 24, 2025

Dear Transfer Students,

It is with great enthusiasm that I join you in celebrating [National Transfer Student Week](#). At UW, we recognize the courage, tenacity, and commitment you have shown in your academic journey thus far — and we are honored that you have chosen to bring your talents, perspectives, and dreams to the University of Wyoming.

This week is dedicated to you — to acknowledging how far you've come, celebrating where you're headed, and helping you make connections to make UW feel even more like home. Our [Student Success & Graduation Hub](#) has organized a series of [events](#) offering opportunities to meet fellow transfer students, explore resources, and simply enjoy being part of the UW community.

Here are some [highlights](#) of what's in store:

- Transfer Swag Showcase (Oct. 20, Prexy's Pasture, 11 a.m. - 2 p.m.): Bring an item that represents your previous institution and trade it for some fresh UW swag — a way to honor your journey while creating new memories.
- Transfer Trivia (Oct. 21, Pokes Pub, 6-8 p.m.): Test your UW knowledge while meeting new and familiar friends.
- Transfer Takeover (Oct. 23, Half Acre, all day): Visit Half Acre to explore campus support, then stay for a fitness session. The first 250 transfers to check in receive a custom UW towel!

As your President, I want you to know that UW is committed to your success. Whether you're adapting to a new academic environment, seeking advising or financial resources, or looking to get involved on campus, we are here for you every step of the way. Your path to success is our priority.

Happy National Transfer Student Week and Go Pokes!

Sincerely,

Ed Seidel
President
University of Wyoming
