Cowboy Credit: Elementary Education Pathway
2026-2027 University of Wyoming & Eastern Wyoming College

Cowboy Credit is a planning tool that helps students identify coursework that may align with a UW academic pathway before transferring to the University of Wyoming.

START YOUR PATH

Planning for an Elementary Education pathway at UW?

This pathway helps students build a strong academic foundation while identifying coursework commonly aligned with teacher preparation pathways at UW.

Communication & Human Development

- English Composition
- Psychology or Sociology
- Foundations of Development and Learning

Quantitative Foundations

- College Algebra
- Math for Elementary Teachers (if available)
- Statistics

Classroom & Learning Foundations

- Intro to Early Childhood Education
- Intro to Special Education
- Education Technology

Science, Literacy & Social Foundations

Elementary ed students benefit from:

- Literature for Children
- Life Science
- Environmental Science
- U.S. History & Government
- Geography

Elementary Education & Special Education

Students interested in dual licensure or special education pathways may work with UW advisors after enrollment to explore additional coursework and certification opportunities.

Professional Readiness

Elementary education pathways build foundational skills across core subjects in addition to communication, child development, classroom learning, and community engagement. Students planning to pursue Elementary Education are encouraged to complete these core courses to develop key skills and knowledge which prepare them for future success as educators.

Every student's path is unique. You don't need to complete all of these courses before transferring—this guide helps you start building a strong foundation, and our team will work with you to make the most of your previous coursework, including AP, IB, CLEP, dual enrollment, and transfer credit.

THE WORLD NEEDS MORE COWBOYS.
