Cowboy Credit: Speech, Language and Hearing Science Pathway
2026-2027 University of Wyoming & Front Range Community College

Cowboy Credit is a planning tool that helps students identify coursework that may align with a UW academic pathway before transferring to the University of Wyoming.

START YOUR PATH

Planning for a Speech, Language and Hearing Science pathway at UW?

Start with these commonly transferable courses to build a strong foundation for the Speech, Language and Hearing Science pathway.

Communication Sciences Foundations

Build your foundation early:

- Introduction to Communication Disorders
- General Psychology
- Child Development
- American Sign Language

Science & Human Development Foundations

- General Biology
- Human Anatomy
- Physics

Strong preparation in biological and physical sciences supports future coursework in speech, language, hearing, and communication sciences.

Quantitative & Research Foundations

- College Algebra
- Statistics

Statistics and quantitative reasoning support evidence-based practice and graduate study preparation.

General Education Foundations

- English Composition
- Public Speaking
- American and Wyoming government

Pre-Professional Readiness

Speech, Language and Hearing Science is a pre-professional degree designed to prepare students for graduate study in speech-language pathology, audiology, and related communication sciences fields. Most professional practice in these fields requires completion of a graduate degree. Students are encouraged to build strong foundations in science, communication, language development, and research methods.

Every student's path is unique. You don't need to complete all of these courses before transferring—this guide helps you start building a strong foundation, and our team will work with you to make the most of your previous coursework, including AP, IB, CLEP, dual enrollment, and transfer credit.

THE WORLD NEEDS MORE COWBOYS.

Cowboy Credit: Speech, Language and Hearing Science Pathway
2026-2027 University of Wyoming & Front Range Community College

Because of accreditation and graduate preparation requirements, students are encouraged to work closely with advisors regarding communication disorders coursework and transfer planning. Communication disorders coursework completed at other institutions may not transfer as direct UW equivalents.

Cowboy Credit is a planning tool designed to support transfer and pathway exploration. Final course equivalencies are determined after admission and receipt of official transcripts.
