

2021-2022 University of Wyoming Block Transfer Map
For students with earned Qualifying Transfer Associate Degree
from a Wyoming Community College transferring to the University of Wyoming for a
Bachelor of Arts degree with a major in Criminal Justice

This Block Transfer has been written for students who have earned a qualifying transfer associate degree (*Associate of Arts (AA), Associate of Science (AS), Associate of Business (AB), and the Associate Degree in Nursing (ADN)*) with a minimum of sixty (60) credits in any major from one of the Wyoming Community Colleges (WYCC) who wish to complete the Bachelor of Arts with a major in Criminal Justice. The UW degree program relies on the foundational coursework completed for the associate degree to prepare the student for baccalaureate-level study.

All courses are three (3) credits unless otherwise specified.

COLOR CODE: Courses in **GREEN** may be taken at the community college or at UW; courses in **GOLD** must be taken at UW.

BLOCK 1: University Studies Program (USP) Requirements

[Please click here for more information about USP.](#)

Courses taken to satisfy General Education requirements at the WYCCs are considered essential to prepare the student for entry into the Bachelor of Arts degree program at UW. Because of the quality of that foundation, students entering UW as of Fall 2001 are awarded the lower division general education requirements included in the USP. Students transferring with a qualifying associate degree that was earned as a concurrently enrolled high school student will be required to take a First Year Seminar course at UW with a minimum grade of C.

BLOCK 2: Lower Division Required Courses (Minimum grade: C in all courses)

Students may take these courses at the community colleges or at the University of Wyoming except where indicated.
