

Office of  
Transfer Relations

Catalog: 2026-2027 University of Wyoming Catalog Program:  
Construction Management, B.S.

## Wyoming Transfer Alignment Guide (WyoTAG)

### Construction Management, B.S.

Construction Managers are responsible for overseeing construction projects, including schedules, budgets, and quality control. The B.S. in Construction Management is a candidate for accreditation by ACCE and provides numerous career paths.

### Accreditation

The Construction Management Program is accredited by the American Council for Construction Education (ACCE), <https://www.acce-hq.org/>, under the Bachelor Degree Programs.

### Degree Requirements

The degree requires **120** credits, **42** of which must be upper division.

### University Studies Program

This degree requires that The University Studies Program 2015 requirements are met before graduation. Some of the courses required for this major fulfill USP requirements, but not all. Students should check their degree evaluations and consult with their assigned academic advisor to discuss their specific course plan.

| Course Name                                                                     | Credits | UW Course in Major        | AA/AS/AB/ADN satisfies this USP |
|---------------------------------------------------------------------------------|---------|---------------------------|---------------------------------|
| C 1-Communication 1 (COM1)                                                      | 3       |                           | X                               |
| C 2-Communication 2 (COM2)                                                      | 3       |                           | X                               |
| C 3-Communication 3 (COM3)                                                      | 3       | (Must be completed at UW) |                                 |
| Q-Quantitative Reasoning (U5Q)                                                  | 3       |                           | X                               |
| PN-Physical and Natural World (1) (PN)                                          | 3       |                           | X                               |
| PN-Physical and Natural World (2) (PN)                                          | 3       |                           | X                               |
| H-Human Culture (1) (H)                                                         | 3       |                           | X                               |
| H-Human Culture (2) (H)                                                         | 3       |                           | X                               |
| V-US & WY Constitution (V)                                                      | 3       |                           | X                               |
| FYS or USP Elective-Any 3-credit hour of FYS or 3-credit hours of USP electives | 3       |                           | X                               |

Note: FYS courses have been paused. 3 hours from any additional USP designated courses is still required.

### Core Courses: 56 credit hours

| Course Name                     | Credits | Casper | CWC | EWC | LCCC | NWCCD  | Northwest | Western |
|---------------------------------|---------|--------|-----|-----|------|--------|-----------|---------|
| CE 2070 - Engineering Surveying | 4       | Note 1 |     |     |      | Note 1 |           |         |

| Course Name                                       | Credits |           |
|---------------------------------------------------|---------|-----------|
| CM 1000 - Exploring CAECM 1                       | 1       | UW Course |
| CM 2000 - Introduction to Construction Management | 3       | UW Course |
| CM 2120 - Construction Materials and Methods      | 3       | UW Course |
| CM 2200 - Construction Documents                  | 3       | UW Course |
| CM 2300 - Construction Safety                     | 3       | UW Course |
| CM 2400 - MEP Systems                             | 3       | UW Course |
| CM 3100 - Construction Scheduling                 | 3       | UW Course |
| CM 3160 - Construction Law & Contracts            | 3       | UW Course |
| CM 3180 - Evolving Technologies in CM             | 3       | UW Course |
| CM 3200 - Statics & Structural Systems            | 4       | UW Course |
| CM 3210 - Construction Estimating                 | 3       | UW Course |
| CM 3220 - Soils & Concrete                        | 4       | UW Course |
| CM 4100 - Project Management                      | 3       | UW Course |
| CM 4140 - Heavy CM Methods                        | 3       | UW Course |
| CM 4600 - Building Info. Modeling                 | 3       | UW Course |

**Core Courses: 56 credit hours continued**

| Course Name                                                        | Credits |           |
|--------------------------------------------------------------------|---------|-----------|
| CM 4900 - Capstone Project                                         | 4       | UW Course |
| CM 4970 - CM Junior Internship (3 credits are required, 1cr.+2cr.) | 1-2     | UW Course |

**Business & Professional Courses: 12 credit hours**

| Course Name                                     | Credits | Casper | CWC    | EWC    | LCCC   | NWCCD  | Northwest | Western |
|-------------------------------------------------|---------|--------|--------|--------|--------|--------|-----------|---------|
| ACCT 2010 - Principles of Accounting I          | 3       | X      | X      | X      | X      | X      | X         | X       |
| AGEC/ECON 1010 - Principles of Macroeconomics H | 3       | Note 2 | Note 2 | Note 2 | Note 2 | Note 2 | Note 2    | Note 2  |

| MGT 2100 - Management and Organizations         | 3       | Note 4 | Note 4 | Note 4 | Note 4 | Note 4 | Note 4    | Note 4  |

**Math/Science Courses: 22 credit hours**

| Course Name                              | Credits | Casper | CWC | EWC | LCCC | NWCCD | Northwest | Western |
|------------------------------------------|---------|--------|-----|-----|------|-------|-----------|---------|
| GEOL 1100 - Physical Geology PN          | 4       | X      | X   | X   | X    | X     | X         | X       |
| MATH 1405 - Trigonometry Q               | 3       | X      | X   | X   | X    | X     | X         | X       |
| MATH 2200 - Calculus I Q                 | 4       | X      | X   | X   | X    | X     | X         | X       |
| PHYS 1110 - General Physics I PN         | 4       | X      | X   | X   | X    | X     | X         | X       |
| STAT 2050 - Fundamentals of Statistics Q | 4       | X      | X   | X   | X    | X     | X         | X       |

**Math/Science Elective Credits: 3**

CM Electives: 6 credit hours

Must take 6 additional credit hours in Construction Management elective courses.

**General Electives: 6 credit hours**

Must take 6 additional credit hours in general elective courses.

**Additional Requirements/Program Information**

- Degree candidates must meet the academic requirements of the university, and must have a minimum GPA of 2.0 in all courses, and all courses required for the major. \*Grades of C or better are required for all prerequisite courses.
- Math 2350 may replace Math 2200 but student must also have Math 1405.
- Math 1405 may be satisfied with Level 5 of the Math placement exam or Math ACT of 27 or SAT Math of 640. Students placing out of Math 1405 will need an additional general elective.
- Students may not take a course for S/U credit to satisfy any requirement, unless the course is offered for S/U credit only.

**Notes:**

Note 1: ENTK 1010 at Casper and Northwest is equivalent to CE 2070.

Note 2: AGECE 1010 is offered at Casper, EWC, LCCC, Sheridan and Northwest. ECON 1010 is cross listed with AGECE 1010.

Note 3: BADM 2010 is equivalent to MGT 2010.

Note 4: MGT 2100 is offered at Casper, EWC, LCCC, Sheridan and Western. MGT 3210 is offered at CWC, LCCC, Northwest and Western and may also satisfy the requirement.

**COURSE SUBSTITUTIONS:** WyoTAGs reflect published equivalencies. UW academic departments occasionally arrange for course substitutions when indirect equivalencies exist. Please contact your UW Academic Advisor for details.

**EFFECTIVE DATE:** This document is in effect as of the 2026-2027 catalog year; it reflects the published UW curriculum as of that date. Any changes to the UW curriculum or the WYCC course equivalents will require this document to be updated. To request an updated document, faculty should contact [transfer@uwyo.edu](mailto:transfer@uwyo.edu) via email.
