2023-2024 Block Transfer Map: Qualifying Transfer Associate Degree from a Wyoming Community College to the University of Wyoming

Kinesiology and Health Promotion, B.S.

This Block Transfer has been written for students who have earned a qualifying transfer associate degree (Associate of Arts (AA), Associate of Science (AS), Associate of Business (AB), or Associate Degree in Nursing (ADN)) with a minimum of sixty (60) credits in any major from one of the Wyoming Community Colleges (WYCC) who wish to complete the Bachelors with a major in Kinesiology and Health at the University of Wyoming (UW).

While some of the courses taken for the associate degree at the Community College are not specified in this document, the UW degree program relies on the foundational coursework completed for the associate degree to prepare the student for baccalaureate-level study.

Students may create a WyoTransfer account now to see how all completed coursework fulfills specific degree requirements.

Courses/categories that could/should be taken at the WYCCs are highlighted in GREEN. Students may satisfy these requirements by taking an equivalent course at a community college. The UW course is listed on the left; if a community college offers an equivalent course, it will be listed under the community college name in the table.

Courses/categories that are offered at some (but not all) of the WYCCs and at UW are highlighted in TURQUOISE. Students may take these courses at a community college that offers an equivalent course or after transferring to UW.

Courses/categories that must be taken at UW are highlighted in GOLD. If a student wishes to take any of these course at another institution, they must speak with their UW academic adviser.

Pending Community College Confirmation

Block 1: University Studies Program (USP) Requirements

This degree requires that The University Studies Program 2015 requirements are met before graduation. Some of the courses required for this major fulfill USP requirements, but not all. Students should check their degree evaluations and consult with their assigned academic advisor to discuss their specific course plan.

Please refer to the <u>University Catalog</u> and click on the link in the left-hand navigation pane titled "The University Studies Program 2015" for more information.

A grade of C or above is required for University Studies Program (USP) categories: FYS, C1, C2, and C3.

	USP Requirement	UW Course in Major		
C1	Communication 1 (3cr)	Satisfied upon completion of qualifying associate degree		
C2	Communication 2 (3cr)	Satisfied upon completion of qualifying associate degree		
С3	Communication 3 (3cr)	Must be taken at UW		
Q	Quantitative Reasoning (3cr)	MATH 1400 Required for Degree		
PN	Physical and Natural World 1 (3cr)	CHEM 1000 OR CHEM 1020 Required for Degree		
PN	Physical and Natural World 2 (3cr)	LIFE 1010 Required for Degree		
Н	Human Culture 1 (3cr)	PSYC 1000 Required for Degree		
Н	Human Culture 2 (3cr)	HLED1006 Required for Degree		
V	U.S. & WY Constitution (3cr)	Satisfied upon completion of qualifying associate degree		
	Any 3-credit hour of FYS or 3-credit hours of USP electives (3cr)	Satisfied upon completion of qualifying associate degree		

Kinesiology and Health Promotion, B.S.

The B.S. in Kinesiology and Health Promotion degree prepares students for careers in clinical exercise physiology, health and movement coaching, biomechanics, nutrition, basic science, and behavioral science. The program is also excellent for students seeking

to enter the field of medicine.

KIN & HLED courses	
listed above.	

Block 4: Other Degree Requirements

KIN and HLED Electives: 25 Cr

15 credits of 300-4000 level KIN/HLED elective coursework is required in addition to the required KIN & HLED courses listed above.

Consult your advisor to see list of possible courses.

General Electives

Degree must include 120 credits, at least 48 of which must be upper-division credits

KIN and HLED electives (i.e., non-required courses) may be counted towards these 25 credits. KIN 2050 is recommended as one elective course.

Consult with your academic advisor and your pre-health advisor (if applicable). Pre-health students will need to take additional professional prerequisite courses as electives.

Additional Requirements

Students must complete 48 credit hours of upper division coursework (3000 or 4000 level curses) to meet the Division's minimum 48 hour requirement for the BS degree in Kinesiology and Health Promotion

NOTE: Students should complete CPR & first aid certification and the certification should remain current throughout the program. Cards can be presented to the division registrar in Corbett 119 to be cleared of the requirement on the degree evaluation.

PRE-HEALTH ANNOUNCEMENT

This degree is great preparation for various careers in health care and allied health. If you are interested in becoming a strong applicant to graduate school for a career in these fields, please tell your primary advisor and connect with the Pre-Health Advising Office on campus as soon as possible: https://www.uwyo.edu/preprof/ or hsadvise@uwyo.edu

Your career of choice will determine which math and science courses you need to take in your first years, so talk to them early!

Course Substitutions: Block articulations are intended to reflect direct published equivalencies between institutions. UW academic departments occasionally arrange for course substitutions when indirect equivalencies exist. Please contact a UW Academic Advisor for details.

EFFECTIVE DATE: This document is in effect as of the 2023-2024 catalog year; it reflects the published UW curriculum as of that date. Any changes to the UW curriculum or the WYCC course equivalents will require this document to be updated. To request an updated document, faculty should contact transfer@uwyo.edu via email.
