

# 2023-2024 Block Transfer Map: Qualifying Transfer Associate Degree from a Wyoming Community College in any major to the University of Wyoming

## B.S. Agricultural Business, Livestock Business Management Option

This Block Transfer Map has been written for students who have earned a qualifying transfer associate degree (*Associate of Arts (AA)*, *Associate of Science (AS)*, *Associate of Business (AB)*, or *Associate Degree in Nursing (ADN)*) with a minimum of sixty (60) credits in any major from one of the Wyoming Community Colleges (WYCC) who wish to complete the Bachelor of Science with a major in Agricultural Business/Livestock Business Management Option (without the Animal Science minor) at the University of Wyoming (UW).

While some of the courses taken for the associate degree at the Community College are not specified in this document, the UW degree program relies on the foundational coursework completed for the associate degree to prepare the student for baccalaureate-level study.

Students may create a [WyoTransfer](#) account now to see how all completed coursework fulfills specific degree requirements.

Courses/categories that could/should be taken at the WYCCs are highlighted in GREEN. Students may satisfy these requirements by taking an equivalent course at a community college. The UW course is listed on the left; if a community college offers an equivalent course, it will be listed under the community college name in the table.

Courses/categories that are offered at some (but not all) of the WYCCs and at UW are highlighted in TURQUOISE. Students may take these courses at a community college that offers an equivalent course or after transferring to UW.

Courses/categories that must be taken at UW are highlighted in GOLD. If a student wishes to take any of these course at another institution, they must speak with their UW academic adviser.

Pending Community College Confirmation

### BLOCK 1: University Studies Program (USP) Requirements

This degree requires that The University Studies Program 2015 requirements are met before graduation. Some of the courses required for this major fulfill USP requirements, but not all. Students should check their degree evaluations and consult with their assigned academic advisor to discuss their specific course plan.

Please refer to the [University Catalog](#) and click on the link in the left-hand navigation pane titled “The University Studies Program 2015” for more information.

A grade of C or above is required for University Studies Program (USP) categories: FYS, C1, C2, and C3.

	USP Requirement	UW Course in Major
C1	Communication 1 (3cr)	Satisfied upon completion of qualifying associate degree
C2	Communication 2 (3cr)	Satisfied upon completion of qualifying associate degree
C3	Communication 3 (3cr)	AGEC 4970 - Required for Degree
Q	Quantitative Reasoning (3cr)	MATH 1400 - Required for Degree
PN	Physical and Natural World (1) (3cr)	CHEM 1000- Required for Degree
PN	Physical and Natural World (2) (3cr)	LIFE 1010 - Required for Degree
H	Human Culture (1) (3cr)	Satisfied upon completion of qualifying associate degree
H	Human Culture (2) (3cr)	Satisfied upon completion of qualifying associate degree
V	U.S. & WY Constitution (3cr)	Satisfied upon completion of qualifying associate degree
	Any 3-credit hour of FYS or 3-credit hours of USP electives (3cr)	Satisfied upon completion of qualifying associate degree

**BLOCK 2: Lower Division Requirements****University of Wyoming Requirements:**

- Total minimum credits required for most degrees (including transfer credit) is 120 credits.
- Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be taken in residence at UW.
- No more than 4 credits of physical activity may be applied to the minimum credit hour requirement for UW baccalaureate degree.
- Students may not take a course for S/U credit to satisfy any requirement unless the course is offered for S/U credit only. (UW S/U grade policy statement for spring 2020: [http://www.uwyo.edu/transfer/\\_files/documents/transfer-policies/covid19-transfer-policy-statement.pdf](http://www.uwyo.edu/transfer/_files/documents/transfer-policies/covid19-transfer-policy-statement.pdf))
- The UW Office of the Registrar provides final approval of degree completion requirements prior to the awarding of any degree.

ANSC 3150 - Equine Nutrition and Physiology (3cr) OR ANSC 4220 - Advanced Beef Production and Management (3cr) OR ANSC 4230 - Advanced Sheep Production & Management (3cr) OR ANSC 4240 - Advanced Swine Production and Management (3cr)							
Biology of Livestock: 4 Credits							
LIFE 3050 Genetics (3cr)							
BLOCK 6: Additional Courses							
Elective Credits: Students in this program must take a minimum of 3-4 credits of elective coursework.	Plan with adviser to ensure that upper division and residency requirements are met.						
Some students may have to take additional courses in order to meet the 120-credit requirement.							

**Course Substitutions:** Block articulations are intended to reflect direct published equivalencies between institutions. UW academic departments occasionally arrange for course substitutions when indirect equivalencies exist. Please contact a UW Academic Advisor for details.

**EFFECTIVE DATE:** This document is in effect as of the 2023-2024 catalog year; it reflects the published UW curriculum as of that date. Any changes to the UW curriculum or the WYCC course equivalents will require this document to be updated. To request an updated document, faculty should contact [transfer@uwyo.edu](mailto:transfer@uwyo.edu) via email.
