2023-2024 Block Transfer Map: Qualifying Transfer Associate Degree from a Wyoming Community College to the University of Wyoming
Entrepreneurship, B.S.B.

This Block Transfer has been written for students who have earned a qualifying transfer associate degree *(Associate of Arts (AA), Associate of Science (AS), Associate of Business (AB), or Associate Degree in Nursing (ADN))* with a minimum of sixty (60) credits in any major from one of the Wyoming Community Colleges (WYCC) who wish to complete the Bachelors with a major in Entrepreneurship at the University of Wyoming (UW).

While some of the courses taken for the associate degree at the Community College are not specified in this document, the UW degree program relies on the foundational coursework completed for the associate degree to prepare the student for baccalaureate-level study.

Create a WyoTransfer account now to see how all of your completed coursework fulfills your specific degree requirements.

> Courses/categories that could/should be taken at the WYCCs are highlighted in GREEN. Students may satisfy these requirements by taking an equivalent course at a community college. The UW course is listed on the left; if a community college offers an equivalent course, it will be listed under the community college name in the table.
>
> Courses/categories that are offered at some (but not all) of the WYCCs and at UW are highlighted in TURQUOISE. Students may take these courses at a community college that offers an equivalent course or after transferring to UW.
>
> Courses/categories that must be taken at UW are highlighted in GOLD. If a student wishes to take any of these courses at another institution, they must speak with their UW academic adviser.

BLOCK 1: University Studies Program (USP) Requirements

This degree requires that The University Studies Program 2015 requirements are met before graduation. Some of the courses required for this major fulfill USP requirements, but not all. Any business courses at a 3000+ level that have not been used to meet any other primary major requirements.	

Block 4: Free Electives from Any College:

- Courses from any college at any level that have not been used to meet any other primary major requirements.
- Transfer credits may be applied to this requirement; students should consult their adviser to determine if they need to take any of these courses at the upper division level (3000- or 4000-level).
- As per University Graduation Requirements, a student must complete their degree with 120 overall credits; 42 of which must be upper division.

Additional Requirements

The Entrepreneurship major is designed to assist students who wish to start their own businesses by providing them with exposure to the development and testing of business concepts. Analyzing the potential success of their concepts using a variety of tools and techniques, being flexible in developing new businesses and innovative ideas, and formulating and implementing business plans that will assist in the establishment and growth of these new ventures. The major provides students with exposure to issues involving family firms such as governance, succession and interpersonal relationships in both new ventures and established firms and prepares students to 1) start new businesses, 2) innovate in their own family firms and/or 3) be entrepreneurial in an existing business.
