

- The map displays a street intersection and surrounding areas. Harney Street runs horizontally at the top, and Gibbon Street runs vertically on the left. A 'Property Warehouse' is located at the bottom right. Various parking zones are marked with colored squares: a black square for 'Motorcycle Permit Parking' near the intersection, an orange square for 'Zone 201' on Harney Street, and a yellow square for 'Zone 202' near the warehouse. A green circle with a white center indicates 'Pay-by-the-Hour Parking (Mobile Pay)' on Gibbon Street. A green circle with a green center indicates an 'Electric Vehicle Charging Station' near the warehouse. A blue circle with a white center indicates an 'Evening Shuttle Stop' on Gibbon Street. A brown circle with a white center indicates a 'Link Shuttle Stop' near the warehouse. A yellow circle with a white center indicates an 'Express Shuttle Stop' near the warehouse. A white square with a black border indicates a 'Construction Area' near the warehouse. A light blue square indicates 'Free Parking (no overnight parking)' near the warehouse. A dark blue square indicates 'Parking Areas for Individuals with Disabilities' near the intersection. An orange square with a white center indicates 'Metered Parking for Individuals with Disabilities' near the intersection. A black square with a white center indicates 'Metered Parking' near the intersection. A yellow square indicates 'Gold (Garage) Permit Parking' near the intersection. A brown square indicates 'Brown Zones Permit Parking' near the intersection. An orange square indicates 'Orange Zones Permit Parking' near the intersection. A red square indicates 'Red Permit Parking' near the intersection. A purple square indicates 'Purple Permit Parking' near the intersection. A green square indicates 'Green (Resident) Permit Parking' near the intersection.
