July 2023 Trustee Report

Building the UWAA Team (Continued)

Office Associate – Amy Morgan has temporarily stepped into the Office Associate role until that position is ultimately filled. We currently have the position posted and plan to hire in August.

UWAA Board – New Director

At the end of June we filled our vacant Young Alumni Director opening with Suweksha Shrestha. Suweksha is a 2021 College of Business alum who currently lives in Salt Lake City, UT. She was born in Nepal and did two years of high school in India before coming to UW. While at UW, Suweksha founded a sorority (Alpha Phi), was a Resident Assistant, was President of the International Student Association and gave the student commencement address during graduation.

UW/UWAA MOA Complete

The UW/UWAA MOA had not been updated since 2007 which led to many components of the original MOA to become outdated and irrelevant. It was recommended during UWAA's FY22 Audit that we update the MOA as well as clean up the process in which we determine and document UW's annual financial support for UWAA. After approval of both the UW Trustees and the UWAA Board the agreement has been updated and is in the process of being signed.
