

UW Trustees - UWAA Report March 2025

Alumni Engagement

The engagement team is hard at work in all areas. In addition to a number of upcoming events scattered across the country, the international 2026 Alumni Cruises have been selected and include four beautiful destinations. Following a drop-off in participation in the post-Covid environment, we are now starting to see reinvigorated interest. Further, new alumni networks are poised to launch this year, and many active networks are preparing to host their first signature events in the coming months.

UW License Plates

Just a few months into the new cycle of UW License Plates, over 2,600 plates have been renewed or purchased new. Renewals began at the end of 2024 and new plates went on sale Mid-February. For reference the first eight (8) year cycle sold 6,200 plates and the second sold 8,600 plates.

'Alumni Wyoming Cowboy' Statue Raffle

UWAA is proud to offer a unique opportunity to own a piece of Cowboy tradition – The 'Alumni Wyoming Cowboy' statue by Chris Navarro. This 17-inch bronze is a scaled version of the monumental Wyoming Cowboy sculpture that stands outside the south entrance to the Marian H. Rochelle Gateway Center. The raffle ticket sales are off to a wonderful start. With just over a week of sales we're nearly at where we ended last year.
